approved unanimously

St. Marie camp conversion

road approval sign-off required

culvert pipe concern - 18"

75 ft back from water?

Conversion fee paid

AF - motion

PB - second

### **Deliberative session**

St. Marie conversion: Concern about septic approval for year-round occupancy.

General discussion of pre-existing septic systems for camps converting to full-year occupancy. What is required?

Request waste-water permit or letter from state saying no new permit needed or septic system is adequate.
