

Town of Fairfield Select Board Minutes

October 14, 2019

NO QUORUM – INFORMATION ONLY

In Attendance: Gavin Ryan, Gene Archambault

Road Foreman: Maurice Jettie

Visitors: James Monette, Jane Williams, Kelly Viens

Town Administrator: Amanda Forbes

Secretary: Melissa Manson

1. Jane came to update about a meeting she attended on the Lamoille Valley Rail Trail. Anticipated it will take \$15million to fix all of it. Lot of delays as they had to do an Act 250. Not sure where the money will come from. Jane wanted to know if the town supports the project. Asks if we would support financially, maintenance or assistance with revamping. No quorum. Members present said we don't have the money to donate to the project
2. Kelly Viens, St. Albans Rec Dept came to talk about our participation at a reduced rate in recreation programs. They want us to get closer to paying the actual cost of the program. In 2019 we capped at \$4500 and spent \$8600. Lots of participation from Fairfield. We need to go to \$7500 to continue to participate. No quorum. Information only.
3. Moe and James came to talk about roads etc. The new truck body is going on November 4th.
4. Lamoille Valley Rail Trail bridge condemned by the Howe Bridge. VAST wants to fill in and access our bridge. They need to know if it's in a flood plain. State says it's ok. As it is in the State ROW, it's their issue. It may flood.

These minutes exist in draft form until approved by the Select Board.
