Potential for free parking passes to residence, minimal fee for no residence

Winter uses at the pond invoking plowing paths to skate, and also set up hockey goals

-Rail Trail is being fixed/worked on in Fairfield

-Walking trail @ FCS maintenance and spruce up

Adding signs and maybe pieces of equipment for fitness activities @ the trail

-Fairfield Community Party

Possible gathering on the new field at end of summer (hopefully restrictions will be lifted by then)
Remind us all we are a community

-Distance activeness as a community

Set up geocaching, scavenger hunt, post weekly challenges to FB and have rewards for completion

-Create a library loan system of sports/active equipment
