The Planning Commission has been working on an update of its zoning bylaws with the goal of ensuring alignment of the Town Plan and Land Use Regulations. The primary focus is on prioritizing protection and ongoing use of agricultural lands through regulation of subdivisions and density.

NW Regional Planning, represented by Emily Kloft, presented an updated By-Law review presentation, a power point presentation.

Following presentation, upon request by Board participants remained in single group to discuss. Following discussion, NW Regional invited everyone to participate in a straw poll. This straw poll can be found at: <https://www.surveymonkey.com/r/FairfieldBylaw>
