

Town of Fairfield
Planning Commission
Zoning Board of Adjustment
Minutes
Monday May 7th 2018

Open meeting 8pm

Guest speaker Catherine Dimitruk of Northwest Regional Planning Commission, regarding 2018 MPG bylaw project. The Projected budget should be enough to cover the project, if by chance the project goes over budget, the RPC would assist in finding grants to pay for the project. Money is saved on material since RPC has the map printer in house at RPC.

The press release will be drafted by RPC and approved by the board before release.

The project time line is next.

Building Permit Request- Charles Havreluk- Replacement home. Dwelling was lost to fire in Dec 2017 Boot Hill Road East Fairfield. Replacement house will be with in the 50ft buffer of foot print of pre-existing house, in compliance with the state of Vermont guidance, regarding exemptions for new wastewater permits. James Motioned to Approve permit, Aaron seconded. All in Favor.
