

Town of Fairfield Planning Commission

Minutes: Meeting date 3/5/2018.

The focus of the meeting was to solicit statements of qualifications from consultant services. The consulting service will be for a revision to the Fairfield Subdivision and Zoning Bylaws. The total available for the consultation services cost is \$16,000.00.

If there are no statements of qualifications submitted by April 6th, the consultation will be taken up by Regional Planning.

There will be a special meeting on April 16th at 8:00. The purpose of this meeting is to recruit people for a steering committee. The steering committee will help with the bi-law revisions. The first hour of each PC will be used to discuss the zoning updates with the steering committee. The steering committee will attend two to four PC meetings. Please bring any potential volunteers to the special meeting on April 16.
