In Attendance: Gavin Ryan, Greg Christie and Gene Archambault
Town Administrator: Amanda Forbes Secretary: Melissa Manson
Visitors: Albert Tetreault

Gavin opened the meeting at 7:55pm

1. Albert came to update the SB on the library construction. Connor Construction is putting blacktop on the parking area and wants to know if the Town plans to pave Park St. Not in the immediate future. Could be a donation project attached to the next road-paving project. Some discussion about the amount of money perceived to be being spent on the building. Albert reminded the SB that no taxpayer money would be spent. \$740K was left for the purpose of building a library. At this point the cost is estimated at \$800K. They expect to make up the \$60K in donations. Albert thanked Rodney for the work his crew did on the project. He expressed that it was nice to see the Town participate in the construction of the new building.
2. Rodney came to update the SB on road issues. Steve Sweeney will be out this week. Guardrails are being done this week on North and Paradee Roads. The new truck has gone back to Viking for a part to be installed. It needs to be delivered to Vaillancourts for the strobe lights to be done. Should have it back before snow flies. Mark Paradee isn't sure he wants to plow this year. Kyle Howrigan is working on his CDL. Review of some road issues and state of the equipment. Rodney and Gavin to follow up on the purchase of the pole saw – municipal cost is \$575. Should get the brush attachment also.
