

**Town of Fairfield  
Select Board Minutes  
October 24, 2011**

In Attendance: Tom Howrigan, Gene Archambault, Greg Christie, and Norm Menard

Visitors: Lynn Dickinson

Town Administrator: Absent      Secretary: Melissa Manson

1. Lynn Dickinson came to discuss the FEMA and State Emergency Funding for the May flooding. Fairfield is included in the disaster declaration. It is still unknown if FEMA will cover the damage. It may be better (faster) to go for State Emergency funding, and the payout may be higher.
2. Lynn advised that the State reimbursement for roads might be reduced as a result of Irene damage. They just don't have the funds to pay out.
3. Gene made a motion to approve the minutes. Greg seconded. All in favor.
4. Update on progress from previous meeting.
5. Generator is coming from Milton this week.
6. Discussion regarding work on Sweet Hollow. They should go ahead and blast if needed. MM to tell Rod.
7. There are issues with the repair of the white truck... was the transmission repaired under warranty?
8. Review of the mail.
9. Tom made a motion to make the following appointments to the Planning and Zoning Board: Henry Magnan (2013), James Gregoire (2014), Melissa Manson (2014). Greg seconded the motion. All in favor.
10. Gene made a motion to approve warrants. Greg seconded. All in favor.
11. Gene made a motion to approve warrants. Norm seconded. All in favor.

**These minutes exist in draft form until approved by the Select Board.**
