In Attendance: Tom Howrigan, Gavin Ryan, Ron Bocash, David Persons

Roads: Maurice Jettie

Town Clerk:

Town Administrator:

Secretary: Melissa Manson

Visitors: Daniel Howrigan, Robert Howrigan Jr., Erin Howrigan, Sean Howrigan, Kyle Howrigan, Colin Howrigan, David Howrigan, Peggy Howrigan

Meeting commenced adjacent to 1272 Menard Rd. at 1pm.

All parties walked from 1272 Menard Rd to the top of the hill and viewed and discussed the condition of the road. Several of the Howrigan family noted work that they had done to maintain the water bars on the road. Some improvement done by Bill Roberts many years ago to allow access for cement trucks to his camp.

Discussion about access to lots taxed as housing lots with access from this road.

Town of Fairfield has not done routine maintenance on this road as the SB was under the impression that it was a class 4 road.

Some question as to the pins that have been placed. SB to further investigate.

No decisions reached. SB wanted “eyes on the ground” before making any decisions.

These minutes exist in draft form until approved by the Selectboard.
