## A Bit About Us

Our reputation for quality products and customer satisfaction has been earned by the hard work of our loyal employees. Each one has over 20 years of experience in the headwear manufacturing industry. Our ability to customize and the flexibility of being a manufacturer, has allowed us to become an industry leader and to continue to grow in a market that is increasingly overwhelmed by imports.

We have chosen to commit to our employees and our community by continuing to domestically manufacture a great quality product. With our strong customer relationships and loyal employees Ludachris Hats Ltd. continues to grow, with a future that looks bright. We are there and will be there to provide the services our clients need and we will do it with the same level of professionalism and commitment that our clients expect and receive.

***Quality  
Integrity  
Commitment  
Customer Service***

*These are the words that mean the most to us.  
It describes who we are as a company.*

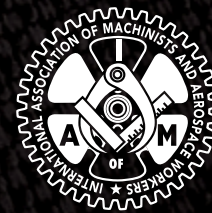

We are PROUD to provide a quality product made in a socially responsible workplace that allows our employees to be secure in their present and future.
