

# Agreement to Fee Schedule

This Agreement (“Agreement”) is entered into by and between **the Practitioner** and **the Client**, concerning the provision of professional consultation or treatment services and acknowledges the fees associated with services offered.

## 1.0 Payment Terms

- 1.1 Payment must be made **in full** prior to the scheduled appointment, unless otherwise agreed in writing.
- 1.2 Additional services, remedies, or materials provided between sessions may incur extra charges, which will be communicated in advance.
- 1.3 Failure to make payment as agreed may result in suspension or termination of services.
- 1.4 Fees are to be paid by cash, check, Venmo, Paypal, or by credit card through the website: [www.naturally4life.com](http://www.naturally4life.com); barter is also an acceptable form of payment.

## 2.0 Cancellation and Rescheduling Policy

- 2.1 Clients will receive booking confirmations and reminders ahead of scheduled appointments.
- 2.2 A **minimum of 24 hours' notice** is required to cancel or reschedule an appointment. Cancellations made **more than 24 hours before** the session are **fully refundable** or may be rescheduled without penalty.
- 2.3 If the Client cancels **less than 24 hours before** the session, fails to attend, or misses the appointment without prior notice (“no-show”), the **full session fee will be retained**, and no refund will be issued.
- 2.4 If the Practitioner is able to fill the vacated slot from a waiting list, the cancellation fee may be waived at their discretion.
- 2.5 Sessions cancelled by the Practitioner due to illness, emergency, or other unforeseen circumstances will be rescheduled at no additional cost or fully refunded.
- 2.6 The Client is responsible to submit the initial assessment form before the first session. In case of failure to submit all forms, the practitioner may retain the full session fee.

## **3.0 Delays and Adjustments**

3.1 If the Client expects to be late for a session, they must inform the Practitioner as soon as possible.

3.2 While the Practitioner will make reasonable efforts to accommodate minor delays, session times cannot be extended beyond the originally scheduled end time.

## **4.0 Fee Schedule for Services Offered**

**4.1 Initial consultation:** \$150 Initial intake appointments are first time appointments for chronic conditions and complex cases. The first intake appointment will take approximately 90+ minutes in person or on zoom (and includes several additional hours of the homeopath's time for analysis). Chronic conditions address ongoing health issues such as anxiety, seasonal allergies, digestion, pre-menstrual, **any** long standing health issues

**4.2 Re-establishment of Services:** \$100 for clients returning after a six month or longer absence.

**4.3 Follow up consultation:** \$80 for follow up visits. Expect follow up appointments to last approximately 30-45 minutes (not counting analysis). If the client has not been seen in 6 months a new initial intake may be required.

**4.4 Acute consultations:** 30 minute acute consultations are available for established clients for \$60 per visit (\$100 for a new client that has not done an initial intake appointment) and include four days of follow up via email or 10 minute phone call, depending on client's preference. Acute consultations look at health needs for shorter lived illnesses, such as colds, stomach flus, food poisoning, accidents, etc. If the acute illness happens on a regular basis, it should be considered to be a chronic issue.

**4.5 Homeopathic remedies:** recommended homeopathic remedies may be purchased by the client at local health food stores or online homeopathic pharmacies. The cost of remedies is normally between \$7-15 and more than one remedy may be recommended in certain cases. The client also has the option of purchasing a frequency remedy for \$12 directly from Naturally4life. A frequency remedy is made by imprinting a frequency that represents the recommended remedy onto a water/alcohol mixture or blank pellets (aka sugar pills) instead of the traditional practice of diluting and succussing a mother tincture or triturated material dose. Remedy recommendations are based upon traditional homeopathic practices. They have not been reviewed by the Food and Drug Administration.

4.6 Rates are subject to change and will be reflected on the Practitioner's website: [www.naturally4life.com](http://www.naturally4life.com). When a rate increase happens, established clients will be grandfathered at their current rate for a period of 6 months. After 6 months Client agrees to pay the current rate reflected on the Practitioner's website.

## **5.0 Acknowledgement**

**By booking and paying for a session, the Client confirms that they have read, understood, and agree to these Terms of Service.**
