## About Our Program

### ORCHESTRA RECOGNITION

The Douglas Anderson Orchestra Program has earned local, state, and national recognition. In addition to performing at the Florida Music Educators Conference in Tampa, the DA Chamber Orchestra is the only string orchestra from Florida to be invited to perform at the Midwest Band and Orchestra Clinic in Chicago in its history. The orchestra at DA contributed to the music department's recognition by the GRAMMY Foundation as the top music program in the nation in 2010, 2012, and 2016. In the spring of 2020 the Douglas Anderson Chamber Orchestra was invited to perform at the American String Teachers Association National Orchestra Festival in Orlando placing 2nd in the nation.

**This January, the DA Symphony Orchestra will perform at the 2024 FMEA Conference**

### ORCHESTRAS 🎵 STRING PEDAGOGY 🎵 STRING CHAMBER MUSIC

The orchestra program consists of four string orchestras, ranging from a training-level ensemble through an advanced Chamber Orchestra which regularly performs standard orchestral literature. In addition to these orchestras, students of the DA Symphony Orchestra, which may include winds, percussion, and keyboard, perform during special events throughout the year. String Pedagogy is an elective offering field experience providing students the opportunity to apply teaching strategies while working with string students at Pine Forest Elementary School of the Arts and LaVilla School of the arts. String Chamber Music students develop ensemble skills in small groups including quartets and trios while learning music from notable composers.

**Congratulations Kinsey!** It's such a joy to serve with you. Your musical talents exemplify the timeless wisdom of Colossians 3:23-24, reminding us that whatever we do, we should work at it with all our heart, as working for the Lord, and not for human masters, for it is the Lord Christ we are serving—thank you for being a beacon of this truth in our orchestra.
