

AELIYA
MARINE TECH

COMPANY PROFILE

1149, Sir P Pattani Road, Krishna Nagar,
Bhavnagar, Gujarat, India – 364001

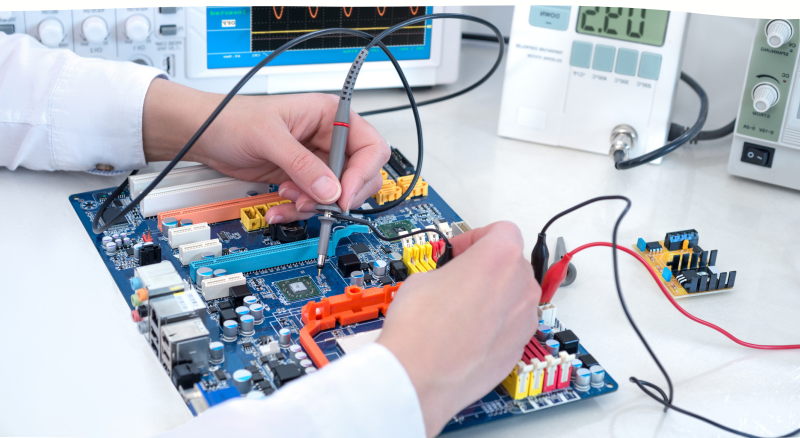

ABOUT US

Aeliya Marine Tech is a global supplier of Marine Spare Parts and Automation, Industrial Electrical and Automation Equipment. We sell and export second hand, new, reusable and reconditioned marine spare parts and equipment of global brands at very affordable price.

We send out best quality items to our esteemed clients. We have a large storage capacity within the Alang shipyard to safely store the goods and have qualified staff to select the best.

We have our in-house team, facilities and resources to conduct business internationally. It is our privilege to help our customers avoid plant shutdowns, because production interruptions can cause economic losses. With all the human and technical value of the business alliance and our team, we provide continuous support for the subsequent significant improvement of factory production efficiency.

WHAT WE OFFER

Industrial Automation

We offer new/used/unused Industrial Automation equipment and components like PLC, HMI Operator Panels, Motors, Drives, Motion Systems, Electronics. Machine failures and downtime can cost the company millions of dollars in revenue. We know very well the problems and needs of our customers, and speed is the key factor in finding and replacing faulty parts quickly.

Marine Equipment & Spare Parts

We have a huge stock and resources of ship's main & auxiliary engine spares, diesel generator set, turbocharger, oil purifier, plate heat exchanger, air compressor, pumps, fresh water generator, oil mist detector etc. We procure these stock from Alang ship breaking yard from different ships.

Ship Machinery

We provide used/second hand heavy duty ship machinery like Main Auxiliary Engines, Main And Auxiliary Engine spares, Oil Purifiers, Fresh Water Generator, Heat Exchanger (PHE), Hydraulic Motor And Pump, Governors, Turbo Charger etc procured from expired ships in Alang ship breaking yard.

BRANDS WE DEAL IN

Our Achievements

In a very short span of time, our business has grown to greater heights. Our clients are spread throughout the globe in countries like United Kingdom, United States, Canada, Netherlands, Belgium, Singapore, Turkey, Indonesia, Germany.

Being a competitive exporter, supplier and trading unit, we undertake a meticulous study of the client's requirements and expectations before executing the task. We can also suggest alternative solutions for the client's benefits on request.
