Exclusive Venues

- Spice H20 - Deck 18 Aft. Adults only. Hot tubs, pool, bar, nice loungers.
- Vibe Beach Club - much like Spice H20, but this is a paid members only area. Anyone may purchase the pass, though there are a limited number of passes per sailing.
- Mandara Spa - The Thermal Suite Pass gives you access to the spa anytime they are open, throughout the entire sailing. The Encore has one of the most extensive Thermal Suites in the fleet, it includes: heated tile loungers, sun loungers, thalassotherapy pool, snow room, salt bath room, dry sauna, humidity sauna, steam room, and of course infused waters, fruits, hot teas, etc. This is a great space to try some new therapies, unwind, or just take a break from the noise and busyness of the ship.
- Haven Bar, Restaurant, Pool - this area is exclusively for guests with cabins in the Haven only.

Cabin

- If you've cruised other lines, you'll notice your cabin steward takes a more active role in your experience on Norwegian. Ask them anything, they can direct you and/or get the answers you need. Leaving a note in the room to make requests is acceptable.
- Mind and update the indicator wheel or light or your door for "Do Not Disturb" or "Make Up Room".
- Typically cabins are ready for you by dinner time on embarkation day.
- Irons will not be found in your cabin, request one from the room steward.
- Heating/Air will not function with the Balcony door open.
- Do not hang clothes/towels to dry on the Balcony.
- Beds can be pushed together or separated, if you find them "incorrect" when going to your cabin, just ask the steward to change them.
- Mini Bar items in the fridge, you will be charged for using these.
- Your "daily" will be delivered in the evenings for the next day. (Ship schedule & newspaper.)
 - This information is also on your app.
- Towels left on the floor will be considered dirty and removed, towels hung up to dry will be left alone.
 - Pool towels are located at the pool.
 - On port days pool/beach towels will be available when you exit the ship.
