## Resume

Conscience Lingers have played numerous clubs and churches around their city. They have also played further afield including Camden Town LDN with fans following them to multiple events. Their biggest event to date is to support Philippa Hanna at Nottingham Albert Hall

## Performance

Energetic, fascinating front man Stephen brings the energy to the band to captivate the crowd and spread the word. The main focus of the band is to put GOD at the forefront of what they do not just in performing but after events talking, interacting with others and networking with different Bands, Promoters and suppliers
