Dear Sirs,

Shoals Mustangs will be hosting a Show and Shine Car Show *on the banks of the Tennessee River* at McFarland Park in Florence, Alabama on August 25, 2018. We are anticipating a great turnout of cars and spectators for this event.

We are requesting donations of door prizes and items for goody bags for this show. Any help you can give will be greatly appreciated.

Shoals Mustangs is a charter club of the Mustang Club of America. This will be our ninth annual show and hope you help us make this a great event.

Thank You

Mr. Larry Creel  
President
