SERMON NOTES

Four Marks of the Healthy Church Part 2

Acts 2:42-47

1. A Healthy Church Is a Learning Church
2. A Healthy Church Is a Sharing Church
3. A Healthy Church Is a Worshiping Church

God is not simply looking for a church that worships. He is looking for a church that worships Him the way He has prescribed.

The core problem of humanity is the problem of self - selfishness. What is the cure? **Worship**

The word worship comes from an old English term "worth-ship." It means to declare the value and worth of someone. Worship is our response to who God is and what He has done.
