Who to Follow Now

Stan Gill

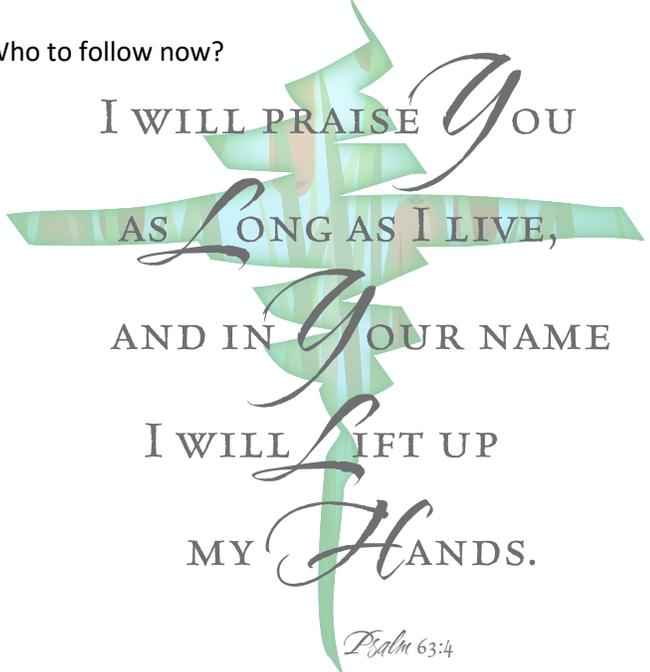

So sad, so sad, so sad
Our Hope has gone
So sad, so sad, so sad
Our Hope has gone
They walked You up that hill
I can see the storm clouds still
So sad. Who to follow now?

So bad, so bad, so bad
My dark and sorrowful past
So bad, so bad, so bad
My dark and sorrowful past
Even if I could change it all
You know I'd still stumble and fall
So bad. Who to follow now?

So cold, so cold, so cold
This heart of mine
So cold, so cold, so cold
This heart of mine
You found me in my shame
My hope for heaven lost
So cold. Who's to pay the cost?

So long, so long, so long
The days to come
So long, so long, so long
The days to come
Is that mercy that I see
Hanging on that tree?
So long. Who's to plead for me?

Who to follow now?

I WILL PRAISE YOU
AS LONG AS I LIVE,
AND IN YOUR NAME
I WILL LIFT UP
MY HANDS.

Psalm 63:4

He Is Exalted

He is exalted, He is exalted
He is exalted on high
Nations shall praise Him
His saints adore Him
He is exalted on high
Repeat

You are exalted; You are exalted
You are exalted on high
Nations shall praise You
Your saints adore You
You are exalted on high
Repeat

I Will Praise Thee

by Stuart Dauermann

I will praise Thee, O Lord my God
I will praise Thee with all of my heart
I will sing praises to Thy name
And my enemies will all be turned away

They who know Thy name
Will put their trust in Thee
Lord, you won't forsake
Your people who seek Thee
Sing praises to the Lord
Who in Mount Zion dwells
Go among the people and tell, tell, tell
Go and tell the praises of the Lord

Hallelujah Song

By Stuart Dauermann & Steffi Rubin

There is no condemnation for those in Christ Jesus
His Spirit has freed us from sin and death
When the law could not save us, His mercy, God gave us
His Son as an offering to pay our debt

CHORUS

**Halle-luiah, Halle-luiah
Halle-luiah, Halle-luiah**

Now indebted to Him by His spirit within
We've an offering to give Him in thankfulness
Take our bodies and minds as we willingly bind them
With love to the altar of holiness
Repeat chorus

So we thank Thee O Lord, for the love and accord
You have given your people in all the earth
That though different we be by your spirit we're free
To grow in the fullness of our new birth
Repeat chorus

Hiding Place

by Steven Curtis Chapman

In the distance, I can see the storm
clouds coming my way
And I need to find a shelter before it starts to rain
So I turn and run to you Lord, You're the only place to go
Where unveiling love surrounds me, when I need it most

CHORUS

**You're my hiding place, safe in your embrace.
I'm protected from the storm that rages
When the waters rise, and I run to hide,
Lord in you I find my hiding place**

I'm not asking you to take away my troubles Lord
Cause it's thru the stormy weather,
I learn to trust You more
But I thank You for the promise that I have come to know
Your unveiling love surrounds me, when I need it most
Repeat chorus

Bridge

So let your people seek you, while you may be found
Cause you're the only refuge
When the rain, comes pouring down
Repeat chorus

End

Lord, you are my hiding place! *My hiding place*
Lord, you are my hiding place! *My hiding place*
Lord, you are my hiding place! *My hiding place*
Lord, you are my Hiding place!

*There is now no condemnation
for those who are in Christ Jesus.*

*For the law of the life-giving Spirit
in Christ Jesus has set you free
from the law of sin and death.*
