January 10, 2021 | 26 Tevet 5781 "Truly, truly I tell you, the one who believes in me has eternal life." - Jesus

Welcome to Clayton Community Church! Thanks for coming. God proved *His love for us* by coming to this world to visit. God sent His Only begotten Son (Jesus) who gave up his life to purchase our salvation. That is a gracious gift! When we depend on His perfect work on the cross not our pitiful attempts at goodness, we are "born again" (John 3:3&16)

When we are forgiven for all we have done wrong, we can know we are going to Heaven with absolute certainty because we now have the Son and therefore we have life!"

(1 John 5:12-13)

*That is why this message is called "Good News".*

Our Children will worship with the family this summer. There is a "cuddle room" available for little ones.

Adult and children's Sunday School hour has been suspended because of virus.

Please socially distance♥

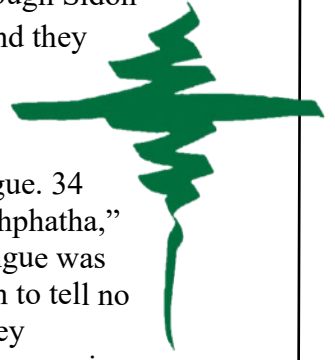

*"Be kind to one another, tenderhearted, forgiving each other, just as God in Christ also has forgiven you."*

Ephesians 4:32

### "The Deaf Hear, the Mute Speak" Mark 7:31-37 (ESV)

"Then he returned from the region of Tyre and went through Sidon to the Sea of Galilee, in the region of the Decapolis. 32 And they brought to him a man who was deaf and had a speech impediment, and they begged him to lay his hand on him. 33 And taking him aside from the crowd privately, he put his fingers into his ears, and after spitting touched his tongue. 34 And looking up to heaven, he sighed and said to him, "Ephphatha," that is, "Be opened." 35 And his ears were opened, his tongue was released, and he spoke plainly. 36 And Jesus charged them to tell no one. But the more he charged them, the more zealously they proclaimed it. 37 And they were astonished beyond measure, saying, "He has done all things well. He even makes the deaf hear and the mute speak.'"★

## Health update from Joshua and Meredith

Hi friends,

In our last update, we shared that Joshua would have a biopsy on an enlarged lymph node that was spotted during his CT scan in late September.

Although this procedure was intended to rule out any concerns, we (along with the doctors) were surprised to learn that the same cancerous cells found in the earlier removed tumor had indeed spread to this lymph node, and again raised the seriousness of his condition.

On Friday, January 15th, Joshua will undergo an invasive surgery to remove this lymph node and any others that can be detected. We anticipate that the recovery from this surgery will be more difficult than the earlier surgery performed in October.

After Joshua has healed from the surgery, he will undergo radiation therapy to hopefully eliminate any cancer cells that were unable to be removed in the surgery. Your notes and meals have been such a blessing through this journey! We've added some new dates surrounding the surgery to the meal calendar for those who would like to support in that way.

Thank you again!

This website also has a calendar (click on the "Calendar" tab) to organize people supporting the family by providing a meal if you would be interested in that.
