5. CHILDREN'S BOOKS AND MINOR USERS

Our website and all associated e-commerce functionality are intended exclusively for use by adults aged eighteen (18) years or older. While Divine Wealth Group, LLC authors, publishes, and sells children's books as a core business activity, all purchases of those books are made by adult consumers on behalf of minor recipients. Marketing consent records, including records of your opt-in to receive promotional communications, are retained for the duration of your consent and until such time as you withdraw consent or we receive a valid deletion request. Records of opt-out requests are retained to ensure we do not contact you in the future in violation of your expressed preferences.

You may request the deletion of your personal information at any time in accordance with the procedures described in Section 10 of this Policy. Please be aware that certain deletion requests may be limited by our legal obligations to retain specific categories of data for defined minimum periods, and we reserve the right to retain information as required or permitted by applicable law even following a deletion request.
