Our mission is to empower and uplift children in our community by providing essential resources, opportunities, and support that foster their growth, development, and well-being. We aim to create opportunities for young people, especially those facing financial or social challenges, through events, and compassionate outreach. We believe that knowledge is power, and every child deserves access to the resources that will help them succeed in life.

**"If a lot of people stepped up and helped a little bit,
then the world would be a lot different."** - Nawlage

Nawlage Is Power Inc was founded in honor of Aquiles "Nawlage" Espinosa, a visionary who dedicated his life to excellence in the fields of music, art and sports. Throughout his life, he recognized the transformative power of creative expression and athletic discipline, not just for personal growth, but for the betterment of entire communities. His passion for these areas led him to make a lasting impact on the lives of countless young people, and this nonprofit is part of his legacy.

We envision a future where every child, regardless of their background, has the resources, knowledge, and support to pursue their passions, achieve their goals, and contribute to a vibrant, thriving community.
