“We are following the Department of Health’s guidance to maintain health and safety standards and physical distancing directives.”

- Hilltop Faculty

Ages Served:

5 years to 10 years

SCHOOL-AGE CARE FOR 2020-2021

To meet the growing need of school-age families who need care due to remote learning, we’ve developed a number of care options to meet the needs of your family. Limited spots are available now for families in need of care for their K-3rd grade children. We will be operating under strict protocols to ensure the health and safety of children and faculty, with reduced group sizes.

Tuition will be based on a sliding scale per family income.

School-Age Care during 2020-2021
