Children's Summer Reading : Here's how it works

- 1) **Sign up on or after Friday, June 3** and get a reading folder. Put your name, age, and phone number on it right away so we can get it back to you if you leave it here. This is your start date. We'll trust you to list only the books you have read after you receive your folder. (For younger children who can't read yet, having someone read to you counts!)
- 2) List the titles of the books you read (one title per line) and bring your folder in for prizes after 5, 10, 15, 20, and 25 books. **The books you read must be age appropriate.** The library staff must sign off for **every 5 books** you have read in order to give you the prizes. But you can get two prizes or more at once if you can't get here after you've read every 5 books.
- 3) You can bring your folder in to be signed any time the library is open; it doesn't have to be on the Friday program day.
- 4) Once you have read **25 books**, you will receive a certificate that says you have successfully finished the Summer Reading Program. (Upon receiving the certificate, you will also be rewarded with a ticket to attend the event on July 22nd.)
- 5) If you want to continue reading after 25 books, add your extras on a sheet of paper and turn it in with your folder to compete for the top reader in your age group. The top readers will receive a special prize, so be sure to put your age and phone number on your folder and any extra pages!
- 6) All folders must be turned in by **Friday, July 15** to be considered for the top reader prize.

***Please remember to return all of your books
when Summer Reading ends!!!!***
