Welcome to our genealogy family tree, under the name: Natchitoches Tribal Registry, L.L.C. The genealogy family group gained Official Certificate Recognition from the State of Louisiana in January, 2018, under the name "Natchitoches Tribe of Louisiana." In an effort to regain our tribal legal heritage, United States Federal Recognition is our current project.

This letter also welcomes you to the Natchitoches Tribe of Louisiana Nonprofit Corporation (NTL-NC), established in January, 2016, EIN 81-2711798. The NTL-NC is the current legal way in which the Registry members may actualize their Tribal identity. NTL-NC has 501c3 status with the IRS, which means that your donations to the Nonprofit Corporation are tax-deductible. Check our websites for details:

For more current information and a place for your comments, our new Facebook page (NTL NonProfit Corporation) is up and running: <https://www.facebook.com/groups/1596442157707395>

The NTL-NC now has ownership of three (3) acres and a Cultural Building in Campti, Louisiana, paid for by donations made by non-member individuals, grants, and members of the Natchitoches Tribal Registry (of which you are now a vetted member). This land was part of our ancient home land. This is our homecoming!

Our expenses of re-forming our Tribal Nation, which included purchasing property and building a Heritage Center in Natchitoches Parish, along with the cost of petitioning the Federal Government for recognition, are the greatest financial concern. Your financial assistance is greatly appreciated. If you would like to donate, checks or money orders should be made payable to: **Natchitoches Tribe of Louisiana**. Mail all donations to: 305 Third Street, Pioneer, LA 71266.

When we receive Federal Recognition as a Sovereign Indian Nation, the NTL-NC will be dissolved and all its assets will be transferred to the Federally Recognized Natchitoches Tribe. Under that Federal status, the ownership status of all assets will change according to how Sovereign Tribal Citizens will vote.

Until we meet again, God bless America & God bless the Natchitoches Tribe.
