Adoption Application

Thank you for your interest in adopting a new furry family member from Noah's Ark Animal Rescue! Please fill out all the information as requested in this application so that we can help introduce you to the perfect new addition to your family.

We want to ensure that each and every one of our rescued pets is placed in their FOREVER home. In the interest of making this a successful adoption, please note that we do require that you permit an in-home visit by one of our representatives prior to adoption. Your personal references and previous veterinary care provider(s) will also be contacted before the adoption is final.

Adoption fees:

Single adoptions:

Young cat (0-2 years) = **\$150**

Adult cat (2+ years) = **\$100**

Double adoptions:

Momma + kitten = **\$200** (\$50 discount)

Kitten + kitten = **\$250** (\$50 discount)

The adoption fee for each of our pets helps us to offset the cost of food, supplies, and the veterinary care for each pet during their time in foster care prior to adoption.

We are a 501.c3 corporation and rely **100%** on your donations to continue helping homeless animals in the Rockaway Beach area. Please consider donating generously, as the adoption fee does not even closely cover the full cost of rescuing, vetting, and providing shelter and care for the pet you are looking to adopt.

Please remember a new pet is an adjustment in any home, especially homes with pets already. The introduction is a slow process and takes not only time but patience.
