DISCOUNTS AND ENROLLMENT NOTES:

All pricing, terms and scheduling subject to change and subject to policies and procedures in place at time of enrollment

For families enrolling one child or siblings in multiple classes per semester, we offer the following discounts

(Please note full price and each discount level is applied to the highest cost class first and then applied to other classes in descending price order)

(Also, these discounts do not apply in the same way to Advanced Ballet students enrolling in the "all-inclusive" Advanced Ballet class option.)

1st class – Full price

2nd class-5% discount on 2nd class

3rd class - 5% discount on 3rd class

4th class - 25% discount on 4th class

5th or more class - 50% discount

Make ups: Ovations offers make ups for missed classes for a majority of the offerings. In some cases, there is only one class of a specific level or type.

For those classes, there are no guarantees, but we might be able to organize a make up in a similar level.

If a student misses a class, he/she will be marked absent. Please note we offer no make up classes during any of our performance weeks

and none during the last two weeks of the Spring semester. Make ups are not available relating to days when Ovations is closed. For instance, if a student has a class on Wednesdays, it is not considered a "missed class" if Ovations is closed for a holiday or inclimate weather on a specific Wednesday. If a student will miss class due to rehearsals or performances, it is advised that the family contact the studio prior to this missed class to pre-arrange a make up as we offer no make ups toward the end of some sessions or during performance weeks. Our performance weeks are 12/9/18-12/16-18 and 4/29/19-5/6/19, subject to change

 $\label{eq:make-problem} \textbf{Make ups are only available for eligible absences and cannot carry over from one semester to the next.}$

<u>Tuition Policy:</u> All tuition is due at the time of enrollment. Tuition is non-refundable. If a student needs to change a time or day for a class, we will work to find a suitable option; however, no guarantees can be made that we will be able to find another class that has space available and will be at the correct level.

How Discounts apply to Enrollment in Any Non-Advanced Ballet classes for each Advanced Ballet student or Sibling:

If a student enrolls in the "All inclusive" Advanced Ballet option and that student or that student's sibling(s) enroll in other non-Advanced ballet classes, the discounts on the other classes will be applied as 10% to the 1st non-Advanced ballet class, then 25% for the 2nd, then 50% for the 3rd or more. If two students from the same family enroll in the All Inclusive Option each Advanced Ballet student is still charged \$2,500 (as discounts are already included in that pricing). However, any non-avanced ballet classes taken by any siblings will start with the 10% discount level for the 1st non-Advanced ballet class option taken by the Student or his/her siblings. If any Advanced Student does not enroll in "All Inclusive" pricing, the standard discounts apply to any classes taken by that student or siblings.
