Ballet clothing is encouraged but not mandatory for a trial or placement. Dancers must be wearing tightly fitting clothing (i.e.: T-Shirts and Leggings, etc.) with no jewelry and their hair pulled back from their face. If their hair is long enough, it should be pulled into a bun. For shoes they can wear ballet shoes, jazz shoes or dance in bare feet. If you are interested in a tap trial and don't have tap shoes, we do have a limited amount available in the studio to borrow. If those aren't available, they can wear any dance shoes.
