

You're on your way to K!

The transition to kindergarten is respected as a major milestone not only for the child, but for his or her family as well. The attitude towards school and learning that the child carries with them for life is often determined by this very first experience with school. A smooth transition to kindergarten can help make sure your child is successful in school.

The information provided below is designed to help you prepare your children for their school experience.

You bet, I'm ready for K!

Personal Needs Without help, can they...

- ____ Put on and take off coat
- ____ Tie their own shoes
- ____ Wash their hands
- ____ Snap, button, zip, and buckle

Social Skills Can they ...
