**To:** David Williamson

David Williamson has been a guiding light and voice of wisdom for me. His ideas and suggestions, and his enthusiasm to have us offer our own views, have made incredible improvements to Windsor Island Resort. His background and success as a real estate entrepreneur, can only help propel our resort into a world class international attraction. I'm very happy, thus far, with his leadership at the helm. I would vote for David again.

Respectfully,  
Balfour Enrique Albacarys  
Homeowner of 37 25 Pacific Lane  
Windsor Island Resort
