To Whom It May Concern,

It is my pleasure to provide this letter of reference for Mr. David Williamson, who has served as the HOA Board President at Windsor Island Resort for the past 16 months. His leadership has been exemplary, and the positive impact he has made on our community is both visible and deeply appreciated.

Since he assumed the role, David has overseen remarkable growth and improvements throughout the resort. One of the most noticeable enhancements I have witnessed has been the installation of clearly posted parking signs, which help ensure guests are aware of community rules and contribute to the smooth operation of the resort. Under his guidance, clubhouse upgrades initially discussed and refined during HOA meetings have been thoughtfully implemented. These include the addition of handicapped accessible equipment, updated parking accommodations for large family vehicles, expanded amenities, engaging guest activities, and food stands that elevate the overall experience for both residents and visitors.

David stands ready during all the board meetings with professionalism and precision. Agendas are distributed to homeowners in advance, and each item is reviewed thoroughly to ensure homeowners are well-informed. When concerns arise, David responds with care either providing immediate solutions or following up with timely resolutions. His commitment to financial transparency is evident in his prompt handling of discrepancies and his consistent advocacy for homeowners in communications with resort staff.

His dedication to keeping the homeowners in our community informed is unwavering. Through regular, detailed email updates, David ensures that homeowners remain engaged and aware of all matters affecting Windsor Island Resort. His clarity, responsiveness, and commitment to transparency have fostered a powerful sense of trust and unity within our neighborhood.

Mr. Williamson's devotion to the resort and its homeowners is unmistakable. He is a tremendous asset to Windsor Island Resort, and I am extremely proud to be part of a community led by an HOA team that genuinely prioritizes our best interests.

Please feel free to contact me should you require any additional information.

Sincerely,
Steven & Sebreana Briggs
