FRIGHTENING NEWS WITH EACH PASSING DAY

Friends,

Our hearts ache with each passing day... And yet we must believe that God will protect and preserve our lives from this scourge. May the Lord grant to us courage during fear; hope during the storm...and patience and resilience in the day of battle.

Praying with, and for you!

NIEA NEWS

"YOU ARE MY WITNESSES," DECLARES THE LORD (IS 43:8-10)

We are about to see phenomenal numbers of men and women asking themselves the important questions on the purpose of life, the permanency of their dreams and about the existence of God. It is now in a unique manner, we can continue to be His witnesses, sharing with hurting humanity God's unconditional love and forgiveness of sins, reconciliation with the Father and the ultimate purpose in life!

Our children of our schools and homes are back in their rural villages; students of training centers are back home and pastors unable to venture out to nurture and encourage the flock. The hospital remains open, offering care and assurance in this time of crisis.

Pray for us, as we constantly remember you in our prayers before the Throne!

Peace to the brothers and sisters, and love with faith from God the Father and the Lord Jesus Christ! (Eph 6:23)
