1. Draft position will be decided by a random drawing.
2. Players will draft one golfer each round for three rounds in a snaking format.
3. Player's score will be the sum of the cumulative scores of their three golfers after 72 holes regulation play.
4. Tiebreaker will be head-to-head against the 1st golfers picked. Remaining ties will be broken with 2nd pick and then 3rd pick.
5. Golfers who do not make the cut will receive the highest round of their Thu-Fri scores for Sat-Sun.
6. A player may select another golfer from the remaining pool, whose tournament score is at even par or worse, if one of their original selections fails to complete a single round.
7. If two or more players encounter this situation at the same time, the player whose golfer finished the least number of holes will select first.
7. Any golfer who, after completing the 1st round, fails to complete all rounds of the tournament due to disqualification or resignation will receive the average round score of the bottom golfer failing to make the cut.
8. One entry per person.
