

**BYLAWS of the
MID-WILLAMETTE VALLEY AREA SERVICE COMMITTEE
Revised November 2021**

I. PURPOSE AND SCOPE

- A. The purpose of the Mid-Willamette Valley Area Service Committee (hereinafter referred to as the MWV ASC) is to be supportive of its groups and members and their primary purpose, by linking together the groups and members within an area, helping groups and members deal with their basic needs, and encouraging the growth of the fellowship.
- B. In all areas not covered by these by-laws, the 12 Traditions, 12 Concepts, the NA Guide to Local Service, and the adopted Roberts Rules of Order, will be used.
- C. All sub-committees elected by the MWV ASC will be autonomous in carrying out their assigned functions but are accountable to the MWV ASC.
- D. The MWV ASC will meet the second Sunday of each month. Changes to this must be presented in motion form and passed by a 2/3 majority decision of the attending GSR's.
- E. For the purpose of these bylaws, the term NA group shall be defined as stated in the Guide to Local Service Manual of Narcotics Anonymous. "An NA group is any meeting which meets regularly at a specific place and time providing that it follows the Twelve Steps and Twelve Traditions of Narcotics Anonymous." The focus of any NA meeting (even if a special group conducts it) is on recovery from addiction. Any addict is welcome to attend.
 - 1. An N.A group may join the M.W.V.A.S.C. simply by attending a regular A.S.C. meeting in person and submitting a written explanation, with contact information and the first names of the G.S.R. and Alternates. Provided the Group meets the requirements of an N.A. Group as stated in this section.

II. NOMINATIONS, ELECTIONS AND VOTING

- A. Nominations of officers will be open annually at the June MWV ASC meeting. They will be closed at the July MWV ASC meeting. Nominations will be taken back to the groups and then voted on by the groups at the August MWV ASC meeting. Term of office will begin annually September 1.
- B. Before nominations can be formalized, persons nominated for MWV ASC positions must be present to accept the nomination, and answer the following questions to be asked by a member of the executive committee:
 - 1. Have you read the job description?
 - 2. Do you meet the suggested requirements of the job description?
 - 3. How much clean time do you have?
 - 4. Do you have a home group?
 - 5. Are you willing to carry out this position with attention to the Twelve Traditions of N.A and the guidelines of the M.W.V.A.S.C?
 - 6. Do you attend NA meetings regularly?
 - 7. What other service positions have you had?

8. Are you willing and able to be at all ASC monthly business meetings for the year this position requires?
- C. These officers must be nominated and seconded by the current Group Service Representatives (hereinafter referred to as GSR's) or the Alternate Group Service Representatives (hereinafter referred to as Alt. GSR's).
 - D. A majority vote of the GSR's in active voting status attending the meeting will be required to elect these officers.
 - E. The Executive Committee Officers will include a:
 1. Chairperson
 2. Vice-Chairperson
 3. Treasurer
 4. Secretary
 5. Regional Committee Member (RCM)
 6. Alternate Regional Committee Member (Alt. RCM)
 7. Archivist
 - F. Other Area officers will include chairpersons for the following Sub-Committees:
 1. Activities
 2. Helpline
 3. H & I
 4. Literature
 5. Public Relations (PR)
 6. Conventions and Conferences (C&C)
 7. Any other committee deemed appropriate by the MWV ASC
 - G. All officers will be elected yearly with no member serving more than two consecutive terms in one position. The Conventions and Conference chair will be allowed to serve three terms if the Committee is planning a convention when the two year term is completed. The C&C chair will be allowed to run for a third term.
 - H. While discussion is welcome from all attending the MWV ASC meeting, only Officers, Sub-Committee Chairpersons, GSR's of active voting groups or acting Alternate GSR's can make motions. GSR's or Alternate GSR's of active voting groups are the only ones who can second and vote on motions.
 1. An individual member may not vote on behalf of more than one group at each monthly Area Service Committee meeting.
 - I. Voting on all MWV ASC motions will be done on a one group - one vote system with the Chairperson voting only to alleviate a tie.
 1. A quorum is defined in these by-laws as the number of group representatives, with active status, present at each monthly MWV ASC meeting.
 2. For the purpose of conducting business, a group failing to be represented by a GSR or Alt. GSR at two consecutive MWV ASC meetings shall be considered "inactive". Inactive status is not meant to be punitive but is meant to attain a quorum at the MWV ASC. Any inactive group who sends a GSR or alt. GSR will be returned to active voting status on their second consecutive MWV ASC meeting. This would include newly seated groups.

3. A group will lose its membership at the MWV ASC entirely if it no longer meets the requirements of an NA group as stated in Section I, sub-heading E.
4. In the event that there are abstentions, the quorum would automatically change to the YES and NO votes only.
5. Voting is conducted by a show of hands; there are no fractions of votes.
6. A simple majority vote is more than half of those voting. Thus, since 5 is half of 10, 6 would be more than half and the majority of 10. Since 5.5 is half of 11, 6 would be more than half and the majority of 11.
 - a. A $\frac{2}{3}$ majority means at least $\frac{2}{3}$ of those voting. 7.33 is $\frac{2}{3}$ of 11, thus 8 would be at least $\frac{2}{3}$ of the vote. 6 is exactly $\frac{2}{3}$ of 9, thus 6 would be at least $\frac{2}{3}$ of 9.

III. MWV ASC OFFICERS DUTIES / JOB DESCRIPTIONS

- A. Officers will be expected to familiarize themselves with their job descriptions. Failure to perform the duties outlined in the job description will be considered noncompliance.

A $\frac{2}{3}$ majority of the attending GSR's is required for removal from office.
- C. An officer or Sub-Committee Chairperson of the MWV ASC shall be found in noncompliance for missing two consecutive MWV ASC meetings without an excused absence. An absence will be considered excused if the Chairperson (or Vice-Chairperson) of the MWV ASC is notified prior to that month's MWV ASC meeting and either a representative is present for the absent officer or Sub-Committee Chairperson or the absent officer or Sub-Committee's monthly report is available at that month's MWV ASC meeting.

ADDENDUM A

RULES OF ORDER of the MID-WILLAMETTE VALLEY AREA SERVICE COMMITTEE

A. Decorum Statement

Meetings will be conducted according to these rules of order, adapted from *Roberts Rules of Order*. This time-honored system for conducting business is the clearest way yet devised for getting a maximum amount of business done in a minimum amount of time, regardless of the degree of disagreement among the participants.

These rules are meant to be used as tools to help us make orderly collective decisions, in a cooperative, respectful way in the spirit of our Twelve Concepts; please do not use them as weapons against one another. We encourage all participants to become familiar with these rules of order and conduct themselves accordingly.

Once the meeting is under way, only one matter will be before the committee at any one time and no other discussion is in order. Please respect the chairpersons right to be in control of the process of this meeting so that you can have the maximum benefit of its content.

B. Debate Limit

Debate is the formal exchange of views on an idea. Unless otherwise specified, debate on both main motions and parliamentary motions is usually limited to two or three pros and two or three cons (speakers for and against the motion). Speakers addressing the motion in debate usually have two or three minutes in which to speak their minds

C. Motions

There are two basic kinds of motions. It is important to understand the difference between them. The two kinds of motions are main motions and parliamentary motions.

1. A Motion is a statement of an idea a committee member wants the committee to put into practice. After being recognized by the chairperson, the member says, "*I move that such and such be done by (this committee, one of its subcommittees, or a particular individual) under these terms*". The person making the motion then speaks briefly about why he or she feels the idea is important; this is called speaking to the intent of the motion. Because the exact wording of all motions must be recorded in the minutes, the maker of the motion should write it out. This is especially important for long or complicated motions.
2. Every motion requires a second-- the backing of another person who either wants the idea put into practice or wants to see further discussion of the idea take place. After one person makes a motion, the chair person will ask whether the motion has a second. The seconder simply raises a hand, and when recognized by the chair, says, "*I second that*". If nobody seconds a motion, the chair will say, "*The motion dies for lack of a second*". This means that the idea will not be discussed any further because there is not enough interest in it. The committee then moves on to other business.
3. Once a motion has been made, the chairperson may rule it *out of order*. A motion may be ruled out of order for any one of a number of reasons: the main motion goes against the committees standing policy; it clearly contradicts one of the Twelve Traditions, the Twelve Concepts for N.A. service, and /or the MWVA bylaws; or is inappropriate at the particular point in the meeting at which it is made. *Roberts Rules of Order* can be consulted for more specific examples of motions which are out of order at any given time.

4. Any member of the committee who wishes to challenge a ruling made by the chairperson may appeal that ruling as described below. If no appeal is made, or if the decision of the chair is upheld, the committee moves on to other business.

D. Parliamentary Motions

1. Motion to Amend

- **Simple majority** required
- **Debatable**

This is perhaps the most commonly used parliamentary motion. During debate on a motion, if a member feels that the motion would benefit from a change in its language, the member can say, "*I move to amend the motion...*" and suggest specific language changes in the motion. Ordinarily, an amendment must be moved and seconded before it can be debated. When debate on the amendment is exhausted, the body votes on the amendment. Then, debate resumes on the merits of the main motion (as amended, if the amendment has carried). When debate is exhausted on the merits of the main motion itself, a vote is taken and the body moves on to the next item of business.

If an amendment is offered and the persons making and seconding the original motion accept it, no second vote is required, no debate is called for, and no vote need be taken on the amendment; debate proceeds as if the main motion had been formally amended. This is called a *friendly amendment*.

2. Call for Previous Question

- **Two-Thirds Majority** Required
- **Not Debatable**

This is perhaps the most commonly used *parliamentary* motion. Use it often. This motion is made by a member saying, "*I call for the question,*" or "*I move the previous question*". It is another way of saying, "I move that debate stop right now and that we vote immediately". This is one of the many motions that can be used to prevent needless, lengthy debate once an issue is clearly understood. This motion is in order after any speaker is finished. **YOU NEED NOT BE CALLED ON.** The chair must recognize you when you make this motion, and a vote must be taken with no debate. If two-thirds of the body feels that no more debate is necessary, then it is time to vote and move on.

One point worth making about this motion is that you must be careful not to squelch debate before an issue had been thoroughly aired. Be sure to vote "no" to this motion if you are still confused about the issue at hand or are unsure of how to vote. By allowing debate to continue, we avoid half-baked decisions about half-understood questions. On the other hand, the liberal use of this motion makes it unnecessary for the chair to be heavy-handed in stopping discussion, because the chair knows you will stop it soon enough.

3. Motion to Table

- **Simple Majority** Required

➤ **Not Debatable**

One way of disposing of a motion that is not ready for a vote is to *table* it. This is done by saying, "*I move that we table this motion until such and such a date/meeting*". This motion is not debatable; if it is made and seconded, it is voted on immediately. If it fails, debate continues on the motion itself. If it passes, the committee moves on to its next item of business. The tabled motion will be included in the committee agenda on the date specified.

4. Motion to Remove From the Table

- **Simple Majority** Required
- **Not Debatable**

A motion that has been tabled can be taken up before the time originally set in the motion to table. This is done by saying, "*I move to remove from the table the motion to such and such*". If this motion passes, the motion that had been tabled become the main motion and debate on it begins again. If the motion to remove from the table fails, the body moves on to the next item of business.

5. Motion to Refer

- **Simple Majority** Required
- **Debatable**

Sometimes the committee does not have enough information to make an immediate decision on a main motion. Such motions can be removed from debate and sent to either a standing subcommittee or an ad-hoc committee for further study. This can be done by a member saying, "*I move to refer the motion to the such and such subcommittee*". If the motion is seconded, the body may debate it before voting. If the motion to refer passes, the committee either continues debating the main motion or votes on it.

The Subcommittee to which a motion has been referred will take it up at its next meeting. The subcommittee will report back on what it has come up with at the next meeting of the full committee.

6. Motion to Reconsider or Rescind

- **Simple Majority** Required
- **Debatable**

Sometimes a member feels that a motion the committee has passed will prove harmful. That member can either move to reconsider (reopen for debate and voting) or rescind (void the effect of) the original motion.

There are a few conditions on motions to reconsider or rescind:

- ✓ The motion must have been passed in either the last or the current meeting.
- ✓ The member making the motion must have information on the issue that was not available
- ✓ the Member must have been with the winning side of the original vote.

These limits are placed to protect the committee from having to reconsider again and again the motions it passes while still allowing it to examine potentially harmful situations it has created inadvertently. If any of these requirements are not met; the chairperson will declare the motion out of order.

The motion to reconsider requires a simple majority.

The motion to rescind requires a simple majority, provided that committee members were informed prior to the meeting that such a motion would be made. If prior notice is not given, the motion to rescind requires a two-thirds majority.

7. Request to **Withdraw a Motion**
 - **Unanimous Consent** Required
 - **Not Debatable**

Once a motion is made and the debate begins, the maker of the motion may ask to withdraw it. The chair asks if there are any objections. If there is even one objection, the motion stays on the floor and debate resumes. If there are no objections, the motion is withdrawn and the body moves on.

8. Offering a **Substitute Motion**
 - **Simple Majority** Required
 - **Debatable**

A Substitute motion is the same thing as an amendment to a motion. The only difference is that it is offered to entirely replace the original idea, instead of merely revising a portion of it. It is handled in the same way an amendment is handled.

9. **Motion to Adjourn**
 - **Simple Majority** Required
 - **Not Debatable**

Any voting member may move to adjourn at any time. This motion is always in order, is not debatable, and requires a simple majority pass. Obviously, frivolous motions to adjourn may be ruled out of order. After all business is finished, the chair may declare the meeting adjourned without a motion.

E. Other Procedures

In addition to parliamentary motions, there are other ways in which members may alter or clarify the proceedings. Here are a few of the most common.

1. Order of the Day

If a committee member feels that business is going to far astray from the original agenda, that member can help get things back on track. The member says, "*I call for the order of the day*". This means, "I move that the chair bring us back on track and conduct the meeting according to procedure, adhering to the agenda". This does not require a second, is not debatable, and does not even require a vote-- the chairperson is obligated to honor the request unless two-thirds of the body tell the chairperson otherwise.

2. Point of Information

If a committee member needs certain information before making a decision about a motion at hand, that member can say at any time to the chairperson, "*Point of Information*". This means, "I have a question to ask". not "I have information to offer". One does not need a second to raise a point of information; it is neither debatable nor to be voted on. The person raising the

point of information may ask the question of either the chairperson or another member of the body.

3. Point of Order

If it appears to a committee member that something is happening in violation of the rules of order, and if the chairperson has not yet done anything about it, the member can ask the chairperson for clarification of the rules at any time. The member may simply say out loud, "*Point of order*". The chairperson then says, "*What is your point of order?*" The member then states the question and asks the chairperson for clarification. If the chair agrees that the rules are not being followed, the chair says, "*Your point is well taken*" and restates the appropriate rule. If the chair does not agree, the chair says, "*Over ruled*". This decision, as all others, can be appealed.

4. Point of Appeal

Anytime that the chair makes a decision, that decision may be appealed. Any voting member who wishes to appeal a decision may do so by saying, "*I appeal the decision of the chair.*" If the appeal is seconded, the chair then asks, "*On what grounds do you appeal my decision?*" The chairperson then speaks briefly to the intent of the ruling being appealed. The body may then debate the ruling and the merits of the appeal. A vote is taken, requiring a simple majority to overrule the original decision of the chair.

5. Parliamentary Inquiry

If a committee member wants to do something but doesn't know how it fits in with the rules of order, all that member has to do is ask. At any time a member may simply say out loud, "*Point of parliamentary inquiry.*" The chairperson must immediately recognize the member so that person may ask how to do such and such. The chair will answer the question, possibly referring to a specific passage in this document of explanation. A point of parliamentary inquiry needs no second, is not debatable, and is not voted on

6. Point of Personal Privilege

If the smoke gets too heavy for you, the air conditioner or heater is on too high, or if there is too much noise in the room, you can ask that something be done about it. If the matter is urgent, you may interrupt the proceedings by saying, "*Point of personal privilege*". If the matter is not particularly urgent, you are encouraged to wait until the person speaking has finished. Such a request generally requires no second, and the chair must recognize you immediately. State the situation and ask that it be corrected. The request seems reasonable, the chair will accommodate you.

F. Voting Procedures

There are several ways that votes can be taken. The most common used method is the show of hands. With rare exceptions, votes will be taken by a request from the chair to see the hands of all in favor, then all opposed, then all abstaining on each issue. The chair should ask for all three categories every time, just to be thorough, even when the majority is overwhelming.

SUBCOMMITTEES

Nominated or appointed from the Planning Committee members, the Subcommittee Chairs should have general qualifications as outlined in the qualification section shown below. We need to keep in mind that length of clean time is not the primary qualification. Experience, dedication, enthusiasm, and willingness to complete the required tasks are the essential qualities to keep in mind when filling these and all positions.

Specific service or vocational skills should be considered prior to election or appointment. It should be clearly understood that subcommittees have specific service responsibilities to perform.

Any subcommittee chairperson who misses two (2) consecutive Planning Committee Meetings will forfeit their position. This position will then be open for re-election at the third Planning Committee Meeting.

NOMINATIONS AND ELECTIONS OF SUBCOMMITTEE CHAIRS:

Before nominations can be formalized, persons nominated for MWV ASC positions must be present to accept the nomination, and answer the following questions to be asked by a member of the executive committee:

1. Have you read the job description?
2. Do you meet the suggested requirements of the job description?
3. How much clean time do you have?
4. Do you have a home group?
5. Do you have a sponsor?
6. Do you attend meetings regularly?
7. What other service positions have you had?
8. Are you willing and able to be at all C&C monthly business meetings for the years this position requires?

QUALIFICATIONS FOR SUBCOMMITTEE CHAIRS:

1. Working knowledge of the Twelve Steps, Traditions, and Concepts of Narcotics Anonymous and familiarity with Spiritual Principles.
2. Minimum of two (2) years clean time.
3. Willingness and ability to give the time, energy, and resources necessary to perform responsibilities.
4. For the purpose of continuity, subcommittees should elect a Vice-chair. This will be a two (2) year term with the first year serving as Vice-chair and the second as chair of the subcommittee.
5. Subcommittees are vital to the Conference/Convention and individuals should be replaced if they are unable to serve for any reason. Naturally, relapse necessitates replacement- this is because we are to be concerned for the well-being of the member who is serving. Each subcommittee has only one chairperson who then recruits committee members to serve.
6. Subcommittee meetings operate according to Robert's Rules of Order unless specified otherwise by these Convention/Conference Guidelines. This ensures that the meetings run smoothly, and that business is conducted in an orderly fashion.
7. Each Subcommittee Chair should be aware of what responsibility each member has assumed and makes sure that every task is carried out.
8. Each Subcommittee maintains accurate records of all activities of the committee as well as all correspondences. Financial reports, including needs, expenditures, and receipts are included with each Subcommittee Report.
9. Each subcommittee of the Planning Committee must work together. At the onset, each subcommittee should decide whether or not they will use the services of another subcommittee or address that particular area of business themselves. Although either way is effective, remember, cooperation is the key that will make it work.

10. Subcommittees in the service structure of Narcotics Anonymous are not autonomous. We are held accountable to the next level of service. Even though subcommittees should be given trust in performing their responsibilities, their actions are subject to approval by the Planning Committee as a whole.

In this way, members can make plans to attend and those who have forgotten or delayed in registering are reminded.

5. The Committee will do direct mailing to NA members from the previous convention and any other source that addresses may be obtained.

FUNDRAISERS/ENTERTAINMENT

- Responsibility specifically for entertainment is a part of this subcommittee. The Subcommittee members select the band or disc jockey for the dances and activities at fundraisers and the Convention/Conference. Big name bands are not appropriate because of the expense and the possibility of distracting us from our purpose.
 - The Chairperson of this Committee should know the Twelve Traditions well. He/she should be an energetic person who is willing to work hard and should be totally trustworthy with regards to money.
 - The Chairperson should also be able to get members involved with activities and deal effectively with people outside the Fellowship in setting up dances, etc. It is also important that receipts and proceeds be turned in promptly and that the Subcommittee works closely with the Planning Committee Treasurer.
 - When designing flyers, remember that they are released in Hospitals and Institutions as well as other facilities which relate to NA. Appropriate use of language and artwork is crucial because these flyers, in a sense, represent NA to the public.
1. Is responsible for communication with other officers of the committee to insure continuity of effort. Coordinates also with the Area Activities chairperson to cooperate between the two committees, designating appropriate activities as Convention Fundraisers, to be held by the Conferences and Conventions committee
 2. Sets up and schedules regular monthly meetings and directs the focus of the meetings.

 6. When an activity is held, there will be an itemized accounting of that activity to be presented to the area Treasurer and monies deposited within 5 working days of event.
 7. Suggested attendance at PCRSC meetings.
 8. Suggested attendance at the Area Activities Subcommittee meeting.

HOTELS AND HOSPITALITIES

Responsible for the staffing of the Hospitality Room at the Convention/Conference. Most Conferences/Conventions provide snacks and small assortment of drinks.

- This committee contacts prospective hotels in order to assemble information which is then used for the purpose of comparison. Beware of open-ended charges by hotels which can be made to the Planning Committee without the Committee's prior knowledge. Consistent and complete discussions about all aspects of the Convention/Conference, which could result in unanticipated charges, will prevent them from occurring. Informing the hotel that the Committee is unable to easily pay unexpected charges and that you are willing to exert yourself to make sure there aren't unexpected charges, will result in the hotel staff double-checking the fees in order to make sure they don't extend services which may be left unpaid. In this way, Convention/Conference costs can be dramatically reduced, and our credit rating may be protected. For example, coffee is a big overcharge item. Settle on a fixed amount rather than allowing the hotel to continue refilling pots. Set up an arrangement wherein only one, or two, individuals can order and sign for the coffee and make it clear that the committee will only honor coffee bills that are signed by these individuals. Since negotiations can get a little technical, it is a good idea to use members who have experience working with food and beverages.

1. A good negotiator, who is willing to ask the hotel these difficult questions, is almost indispensable. Hotels will almost always give a substantial reduction on room rates if they can recoup the revenues on the banquet. If enough rooms are reserved by attending members, hotels will often provide large conference halls for free.
2. While negotiating prices with hotels, keep in mind that they are competing with other hotels for your business. Try to get as many services as possible for the lowest price. Never assume that the first, second, or third price is rock bottom. In early negotiations, make sure that the costs are approved at the committee level. Input from the Group Conscience is the best possible kind of input and provides a perspective we lack as individuals.
3. A good hotel will usually help with the scheduling because they know what is possible with their floor plan and staff. It is always wise to try to book a hotel for a weekend when there is no other Fellowship Convention or competing activity taking place.
4. Each hotel usually has a “complimentary” room given free of charge when a block of rooms is booked. These rooms should be reserved for the Hospitality Room and speakers/entertainers.
5. This committee should work closely with the Program committee and Travel agent to ensure the speakers and entertainers hotel information is consistent and that all know what that is.

MERCHANDISING

- The Merchandising Subcommittee is responsible for purchasing merchandise and selling throughout the fellowship and at the convention/conference.
 1. Coordinate with the Arts/Graphics committee to obtain logo for the merchandise
 2. Maintain a set of financial records with receipts. These statements and records should be submitted to and reviewed monthly with the Planning Committee. This is done to assure accountability for all merchandise and funds.
 3. A beginning and final inventory statement is provided to the Treasurer within a week after the Convention/Conference for inclusion in the Treasurer’s Final Report.
 4. This Subcommittee is responsible for the sale of merchandise at the Convention/Conference and Fund-raising Activities.
 5. This Committee must communicate with the Hotels/ Hospitality and Program
 6. Subcommittees when planning space and time requirements for a store or booth at the Convention/Conference site.
 7. They should also keep in mind to include in the Convention/Conference Program their hours of operation.
 8. This committee determines when and where outside vendors will set up their wares. This should be determined before the event and that information provided to the Conference/Convention Information chair.

PROGRAMMING

- Without a good program, the trouble and expense of putting on a convention/conference isn’t justified. The reports of the Program Committee should therefore be given appropriate attention. It is suggested that members of this committee have a minimum of three (3) year clean time with a working knowledge of the Twelve Steps, Traditions, and Concepts of Narcotics Anonymous and familiarity with Spiritual Principles

The Program Subcommittee:

1. Develops plans for workshops and meetings at the Convention/conference.
2. Recommends speakers; workshop chairpersons; and others to help with the program.
3. Recommends a schedule of all events to take place during the Convention/conference
4. Prepares the written program to be distributed to attending members.

5. Keep in touch with speakers as the convention/conference draws near and assist them in any way possible to ensure their attendance.
 6. Work closely with Travel agent and Treasurer to ensure all speakers and entertainment groups are aware of travel and hotel accommodations.
 7. Submit all these recommendations to the Planning Committee for review, input, and approval.
- One of the main problems in scheduling is the event of no-shows. Due to this, a note should be made somewhere in the program or registration package that includes a specific location and times for readers, speakers, workshop chairpersons, or anyone involved in the convention/conference program to sign-in. In the event of a no-show, a pool of members should be available from which to select replacements.
 - It is important to Workshops are held to satisfy the needs of our membership for information or discussion on specific topics and service related to NA. It may be important to schedule similar workshops consecutively rather than at the same time. This allows interested members to attend an entire series of related workshops rather than having to choose between two or more workshops they would like to attend.

REGISTRATION

The Registration Subcommittee is one of the busiest committees of every conference/convention. Although its most intensive work is completed in the weeks just prior to and during the Convention/Conference, its responsibilities begin with the advance planning.

- Create registration forms in order to allow for sufficient time for review by the full Planning Committee. The mailing schedule for flyers and pre-registration forms should also be established at this time.
- Create “Save the date” flyer announcing the Convention should be made as soon as the dates are established, and a contract or agreement is reached with the facility and the hotel. In this manner, participants will be given an opportunity to schedule vacations or other arrangements to attend the Convention/Conference.
- When pre-registration and arrival registration information is available, the Registration Committee prepares a finalized flyer.
- As each registration is received, by mail; On-line Payment vendor; or a direct sale, a record should be made indicating information about the registrant and all the money received. If free registrations are given out as part of promotional activities, the Committee must keep careful records of what is provided and to whom.
- The Planning Committee Chairperson in conjunction with the Treasurer, should establish a good working system for handling cash registrations received.
- Un-deposited cash received by the Registration Committee is not to be used for committee expenses, as it can result in confusion and possible misuse of funds.
- The record system developed by this committee should be simple and clearly understood by all members of the committee. The records of all registrations and meals sales should be updated at least once a month.
- The Registration Subcommittee is responsible for preparing a complete registration packet which includes:
 1. Convention/Conference Program
 2. Name Tag or Badge
 3. Ticket(s) for meals or other functions
 4. Any information that another subcommittee may want to include, i.e.
 5. Hospitality may want to include information regarding local eating establishments, tc.,
 6. Activities/Fundraising/Entertainment may want to include information regarding their activities, etc.
