

## 2026 GOODWILL DONATION & MEMBERSHIP

# PINE CITY AREA PICKLEBALL

PCAP's mission is to further strengthen our community by utilizing pickleball as a source of recreation, entertainment, & social networking. PCAP has taken on the community service project of working to place 6 high quality courts in Pine City's West Side Park & Beach. The City Council has dedicated the land. Our next step is the development of a working agreement with the city.

**Please consider supporting PCAP financially as a way of helping us cover our expenses and document support for PCAP projects.**

- Operational expenses: pickleball playing supplies (balls/paddles), liability insurance, director and officer insurance, PlayTime Scheduler adm fee, P.O. Box fee, website fees, Chamber of Commerce dues, celebration costs, gratuities, & importantly, helping cover cost of future community courts!
- PCAP membership benefits: voting privileges, being eligible to serve on our Board of Directors & knowing you are actively supporting PCAP activities.
