WOW...this Q drop is REALLY scary! PRAY!!

What would happen if texts originating from a FBI agent to several [internals] discussed the assassination (possibility) of the POTUS or member of his family?

(It is on the research board WITH valid trip code).

What if the texts suggest foreign allies were involved?
Forget the Russia set up [1 of 22].
This is only the beginning.
Be careful what you wish for.
AS THE WORLD TURNS.
Could messages such as those be publicly disclosed?
What happens to the FBI?
What happens to the DOJ?
What happens to special counsel?
What happens in general?
Every FBI/DOJ prev case could be challenged.
Lawless.
Think logically.
We haven't started the drops re: human trafficking / sacrifices [yet][worst].
Those [good] who know cannot sleep.
Those [good] who know cannot find peace.
Those [good] who know will not rest until those responsible are held accountable.
Nobody can possibly imagine the pure evil and corruption out there.
Those you trust are the most guilty of sin.
Who are we taught to trust?
If you are religious, PRAY.
60% must remain private [at least] - for humanity.
These people should be hanging.

3. Q says traffic has spiked on the research board.

Not surprised after those last two eye-opening drops! The Black Hats are not pleased.

5. Q did a security test on the research board. It is under attack...loading VERY slowly. Q just did another test on read-only board /greatawakening/ - SAME TRIP CODE. This should show the naysayers that it is the same user posting in both places.

7. Q posted a couple SEC_TESTS (one failed) in the read-only board /greatawakening/ & a duplicate post about drones but deleted posts 54 - 56.

The site attack knocked that board out briefly but it's back online. Must be over the target!!
