Read slowly and carefully.  
Will become critically important in coming weeks.  
Continue to track those who are resigning across all platforms.  
Where there was once darkness, there will now be LIGHT.

Q

Here is a spreadsheet someone is using to track all resignations.

**THE RESIGNATION LIST HAS MOVED!**

With the amount of data I need to spend a lot of time maintaining the list with Google Spreadsheets. Keeping the quality is another hard task with using this spreadsheet only.

Additionally - I guess you all know it - Google Services are NOT helpful for having privacy.

To save a lot of time, keep the quality, to give you more data, ... I decided: it's time to get rid of Google Spreadsheets. MEANS: THIS SHEET WILL NO LONGER BE MAINTAINED!!!

Now you can find EVERYTHING here: <https://www.resignation.info>

**API**

In case you want to get the data as CSV file: <https://www.resignation.info/api>

**Report Resignations**

**Resignation Show**

Yes, I maintain both websites! There is NO ADVERTISING, NO TRACKING, ... implemented!

NO, I DON'T WANT YOUR MONEY! (Give it to someone who REALLY needs it! Maybe some homeless people in your neighborhood?)

He was a good man and wanted nothing more than to watch all of Californias power structure hang for their crimes. If you guys could send some prayers my way it would be greatly appreciated

Track names... darkness to LIGHT...

What if the confiscations have already been occurring for a month or so? In the case of a corporation that means control of shares, and Board of Directors. The Board can demand that a CEO resign, then appoint a new one. In fact, if you were on a BOD and the Trump administration provided you incontrovertible evidence that all shares including yours, were about to be seized under the EO because your CEO was controlled by the FORCES OF DARKNESS, might you demand the resignation right away if it avoided the seizure? Wouldn't that be a GREAT DEAL TO MAKE?

And to finish it off, might the Trump administration offer to vet any replacement candidates to ensure that the new CEO is from the FORCES OF LIGHT?

This is one of the reasons why 60-80% of the activity must remain hidden. It will only work if it can be done in secret, and it preserves the economy and the mental health of Americans in general. Only a master of the ART OF THE DEAL could pull something like this off.

Also, note how doing this requires delegating huge amounts of trust and power to other players like Sessions and his people. This is how democracy is supposed to work.

B.

It is also settled that the President's authority to detain an enemy combatant is not diminished by a claim, or even a showing, of American citizenship. See, e.g., *id.* at 37 ("Citizenship in the United States of an enemy belligerent does not relieve him from the consequence of a belligerency which is unlawful."); *In re Territo*, 156 F.2d at 144 ("[I]t is immaterial to the legality of petitioner's detention as a prisoner of war by American military authorities whether petitioner is or is not a citizen of the United States of America."); *Colepaugh v. Looney*, 235 F.2d 429, 432 (10th Cir. 1956), *cert. denied* 352 U.S. 1014 (1957) ("[T]he petitioner's citizenship in the United States does not ... confer upon him any constitutional rights not accorded any other belligerent under the laws of war.").

The fact that a detainee is an American citizen, thus, does not affect the President's constitutional authority as Commander in Chief to detain him, once it has been determined that he is an enemy combatant. As the Supreme Court has unanimously held, all individuals, regardless of citizenship, who "associate" themselves with the "military arm of the enemy" and "with its aid, guidance and direction enter this country bent on hostile acts are enemy belligerents within the meaning of the Hague Convention and the law of war." 317 U.S. at 37-38. Nothing further need be demonstrated to justify their detention as enemy combatants. The individuals need not be caught while engaged in the act of war or captured within the theatre of war. See *id.* at 38 ("Nor are petitioners any the less belligerents if . . . they have not actually committed or attempted to commit any act of depredation or entered the theatre or zone of active military operations."). They need not be found carrying weapons. See *id.* at 37 ("It is without significance that petitioners were not alleged to have borne conventional weapons . . ."). Nor must their acts be targeted at our military. See *id.* ("It is without significance that . . . their

Because Q posted the same video twice in 2 days I figured it was important (it's a great speech). I transcribed the video for us all.

Our movement is about replacing a failed and corrupt political establishment with a new government controlled by you the American people. The Washington establishment and the financial and media corporations that fund it, exists for only one reason: to protect and enrich itself. The establishment has trillions of dollars at stake in this election. For those who control the levers of power in Washington and for the global special interests, they partner with these people that don't have your good in mind. Our campaign represents a true existential threat like they haven't seen before. This is not simply another 4 year election. This is a crossroads in the history of our civilization that will determine whether or not we the people reclaim control over our government. The political establishment that is trying to stop us is the same group responsible for our disastrous trade deals, massive illegal immigration and economic and foreign policies that have bled our country dry. The political establishment has brought about the destruction of our factories and our jobs as they flee to Mexico, China, and other countries all around the world. It is a global structure that is responsible for the economic decisions that have robbed our working class, stripped our country of its wealth and put that money into the pockets of a handful of large corporations and political entities. This is a struggle for the survival of our nation and this will be our last chance to save it. This election will determine whether we are a free nation or whether we have only the illusion of democracy but are in fact controlled by a small handful of global special interests rigging the system and our system is rigged. This is reality: you know it, they know it, I know it and pretty much the whole world knows it. The Clinton machine is at the center of this power source. We've seen this first hand in the wiki documents in which Hillary Clinton meets in secret with international banks to plot the destruction of US sovereignty in order to enrich these global financial powers, her special interest friends and her donors. Honestly, she should be locked up. The most powerful weapon deployed by the Clintons is the corporate media, the press. Let's be clear on one thing: the corporate media in our country is no longer involved in journalism. They're a political special interest no different than any lobbyist or other financial entity with a total political agenda and the agenda is not for you it's for themselves. Anyone who challenges their control is deemed a sexist, a racist, a xenophobe, they will lie, lie, lie, and then again they will do worse than that. They will do whatever is necessary. The Clintons are criminals, remember that this is well documented and the establishment that protects them has engaged in a massive cover up of wide spread criminal activity at the state department and the Clinton foundation in order to keep the Clintons in power. They knew they would throw every lie they could at me and my family and my loved ones. They knew they would stop at nothing to try to stop me. Nevertheless I take all of these slings and arrows gladly for you. I take them for our movement so that we can have our country back. I knew this day would arrive, it was only a question of when and I knew the American people would rise above and vote for the future they deserve. The only thing that can stop this corrupt machine is you, the only force strong enough to save our country is us. The only people brave enough to vote out this corrupt establishment is you the American people. Our great civilization has come upon a moment of reckoning. I didn't need to do this folks, believe me. I built a great company and I had a wonderful life. I could have enjoyed the fruits and benefit of years of successful business deals and businesses for myself and my family instead of going through this absolute horror show of lies, deceptions, malicious attacks. Who would have thought? I'm doing it because this country has given me so much and I feel so strongly that it's my turn to give back to the country that I love. I'm doing this for the people and for the movement and we will take back this country for you and we will make America great again. Donald J. Trump 2016

Im British, and have been on the Trump train for about a year and a half. Like most people, when i first heard Donald Trump was running for president i was very skeptical.

But then something magical happened. I watched one of his rallies. And i saw the look in his eye. The words in his tounge. He spoke about draining the swamp, and didnt care for Politically Correct nonsense that is killing society. He bellow words of America First. And it was glorious!

The moment that 100% solidified in my mind that DJT was legit was at the new york dinner. Where he and Hilary had to make a speech infront of the elite. I rememebr Mr Trump insulting them to their face - the look on their faces was something i will never forget.

He has had the MSM attacking him 24/7 and still stands strong. Immigration is down, black unemployment is down, Hispanic too, and lets not forget how the value of the USD value skyrocketting.

I think that President Trump is the greatest person to have walked this Earth. And so are persons like Q, who have been working in the shadows for the good of all.

God speed everyone.

On a side note: any chance after USA has been un-corrupt, can you maybe sort out the UK. We are hurting. Bigly :)
