Q just posted on research board in reference to [.@realDonaldTrump](#)'s tweet about "Little Adam Schiff", Comey, Warner, Brennan, and Clapper. He wouldn't have made these accusations if the truth wasn't about to be revealed.

Would POTUS make a serious accusation if the TRUTH
wasn't about to come to LIGHT?
Black Forest.
Austria.
Rothschild.
FIRE sale days after post?
What went on there?

Little Adam Schiff, who is desperate to run for higher office, is one of the biggest liars and leakers in Washington, right up there with Comey, Warner, Brennan and Clapper! Adam leaves closed committee hearings to illegally leak confidential information. Must be stopped!

2. Q posts "BLUNT" statement." Last time that was used was to show how we knew about the NY subway bomber fm Bangladesh ahead of time and were able to minimize damage by replacing the bomb w/firecrackers. Going out on a limb & wondering if White Hats diffused FF at SB last night.

My statement on James Comey

Director Comey has served the country well in a number of different roles. Many, including myself, have questioned his actions more than once over the past year. I believe new leadership at the FBI will restore confidence in the organization and among the people who do the hard work to carry out its mission.

4. Q asks why the memo dropped on Friday. Also indicates stock market nose dive was intentional and landing where it did was no coincidence. Many marriages in the Cabal are for power. Truth must be revealed before arrests. An anon posted a plausible response.

They thought she wouldn't lose. This SB was planned to be a big sacrifice with two American revolutionary symbols, the Philadelphia team and the Boston team, homes of the revolution, in the twin cities. It was supposed to give Empress Hillary justification for repeal of 2nd ammendment and war war war.

But the memo caused them to put the terror attack on hold. They are scared shitless.

5. The 666 drop in the stock market was the Cabal's way of showing POTUS they are in charge. Guess we'll see about that!

The video cameras inside the house chamber are not owned or operated by CSPAN. The house also forbids any news network to bring their own cameras inside the chamber. The cameras inside the house chamber are owned and operated by the house itself, specifically the House Recording Studio. Since there are, I believe, 4 camera feeds operating in the chamber - I believe Q wants us to view the RAW footage on Feed 1. This must be obtained offline through The Clerk of the House.
