4. Q appears to be warning about a possible (imminent?) car attack in Europe based on chatter.

5. Q posts Sept 7, 1771 which was when the world's first submarine attack took place. Is Q warning us the Deep State is planning something nefarious with that missing submarine?!

6. Just remembered that Q said they dropped "The Hunt for" from the movie title "The Hunt for Red October". Recent posts just had "RED OCTOBER" which makes me think they found and are tracking the missing submarine. I could be way off base but that's all I can think of ATM.

I would like to inquire of Q (with highest respect) whether RED_OCTOBER refers to
1) the fictional submarine whose torpedo homed in on itself and destroyed itself

or

2) the [RED OCTOBER] [Красный Октябрь] cyberespionage malware discovered in October 2012-January 2013. It operated worldwide for up to 5 years before its discovery. It sent info ranging from diplomatic secrets to personal information, including from mobile devices. Red October was termed an advanced cyberespionage campaign intended to target diplomatic, governmental and scientific research organizations worldwide.

or

3) Something else

Future news will highlight.
Note "The Hunt For" was dropped.
Details matter.

7. Just realized my typo in my #5 tweet in this thread. Should say SEPT 7, 1776.

8. Q asks a great question about the lack of tweets from Hillary, Bill, Chelsea, and Hussein about today's FL shooting. Leads me to believe this WAS a Deep State operation and they WILL pay the price.

Where are the tweets from HRC, BC, CC, Hussein, others re:
the shooting today?

Do you believe in EVIL?

Make no mistake, they will all PAY THE PRICE.

9. And look who shows up an hour after Q's last drop about their silence re: FL school shooting. He must have sniffers lurking on 8chan!

Bill Clinton

@BillClinton

Follow

She's right.

Gabrielle Giffords @GabbyGiffords

The accounts from today's school shooting in Parkland, Florida strike fear into all Americans. Is it safe to send our kids to school? Are we safe in our homes and communities?
