New Q post re: [@realDonaldTrump](https://twitter.com/realDonaldTrump)'s tweet re: \$1.7B cash Hussein sent to Iran & nobody in Congress, FBI or DoJ seemed to care. We know Iran is #1 sponsor of terror & this money would be used to fund terror. Was it also a pay-off for Iran to keep silent about what they know re: CF?

"Never gotten over the fact that Obama was able to send \$1.7 Billion Dollars in CASH to Iran and nobody in Congress, the FBI or Justice called for an investigation!"
Re_read crumbs.
What is the reason this is being brought back up?
There is a purpose for every tweet and crumb dropped.
Follow the money.

The \$\$ was used to fund Terrorism through Iran and to send Nuclear materials to NK. Funding Terrorism charges and Treason when revealed giving aid and comfort to an enemy.
>There is a purpose for every tweet and crumb >dropped.
Everything is connected.
>Follow the money
The money out of Iran goes to West Bank, Syria and other Tcells that Iran Funds as well as Nuclear parts for NK as well as money.

2. After Q drew attention to the Russian plane crash last week being intentional to silence one person, wondering if today's Iranian plane crash has some connection to Q's last drop. Perhaps someone on the plane knew too much?

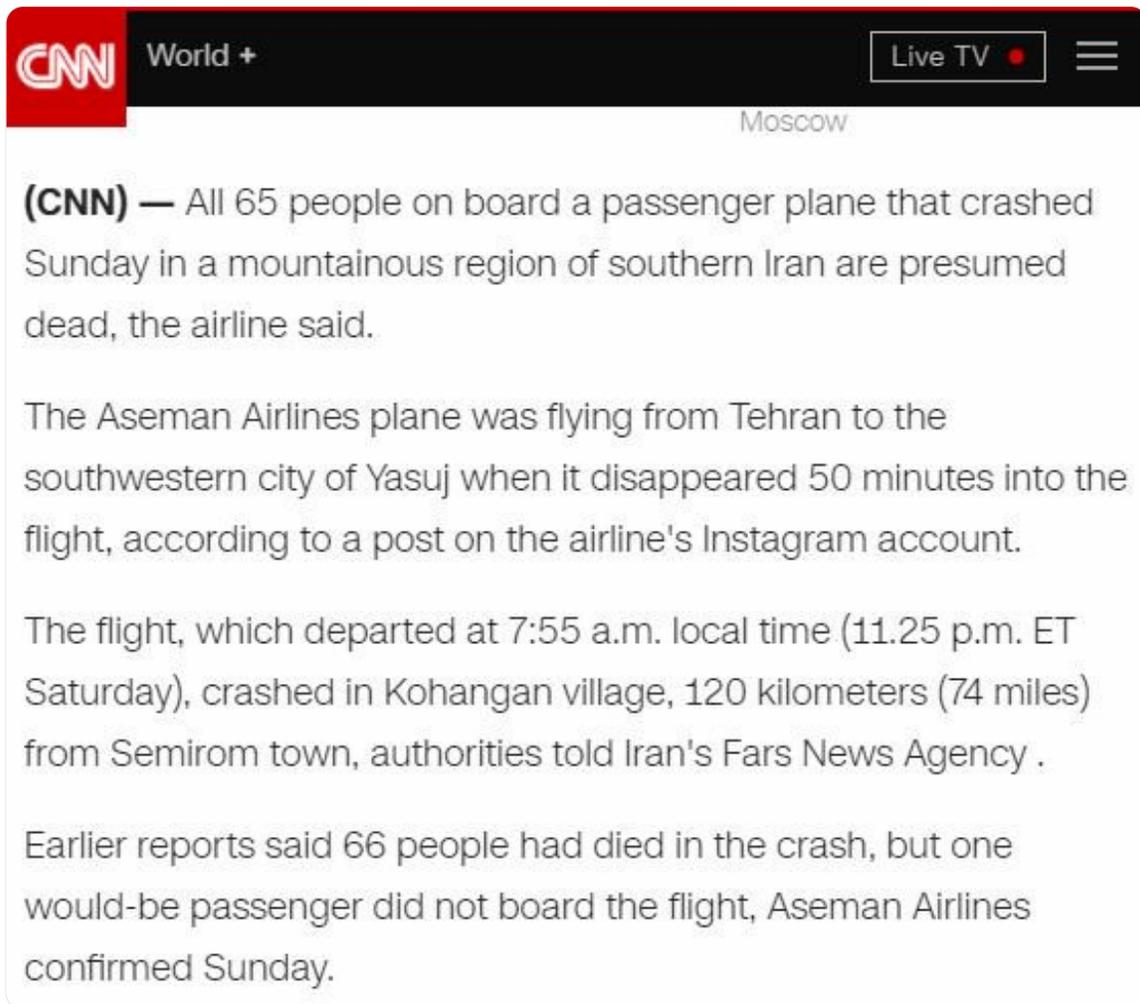

Iranian commercial plane crashes, killing all 65 people aboard, airline says
A commercial plane crashed in a mountainous region in southern Iran on Sunday, killing all 65 people on board, an airline spokesman told Iran state television.

3. CNN corrected the total number of passengers killed to 65. Apparently one passenger did not board the plane. Have not found a manifest yet.

The image is a screenshot of a CNN news article. At the top left is the CNN logo, followed by the text "World +". On the right side of the top bar, there is a "Live TV" button with a red dot and a hamburger menu icon. Below the top bar, the word "Moscow" is centered. The main text of the article is as follows:

(CNN) — All 65 people on board a passenger plane that crashed Sunday in a mountainous region of southern Iran are presumed dead, the airline said.

The Aseman Airlines plane was flying from Tehran to the southwestern city of Yasuj when it disappeared 50 minutes into the flight, according to a post on the airline's Instagram account.

The flight, which departed at 7:55 a.m. local time (11.25 p.m. ET Saturday), crashed in Kohangan village, 120 kilometers (74 miles) from Semirom town, authorities told Iran's Fars News Agency .

Earlier reports said 66 people had died in the crash, but one would-be passenger did not board the flight, Aseman Airlines confirmed Sunday.

4. An anon posted this as the passenger list from the Iranian plane crash. Not very clear. Hopefully someone will find a better list.

5. With all the skills trying to disrupt the boards saying Sessions should be fired on top of public demands that Wray be fired, Q reminds us to trust both of them. There is a plan that is being implemented and we will soon see why things are unfolding in a certain sequence.

6. Q shares an older tweet from then-candidate @realDonaldTrump re: how HRC should be in jail instead of running for President. Pretty sure he has all he needs to prosecute her for crimes up to and including treason. Thank God the White Hats prevented the rigging of our election.

Finally, Liddle' Adam Schiff, the leakin' monster of no control, is now blaming the Obama Administration for Russian meddling in the 2016 Election. He is finally right about something. Obama was President, knew of the threat, and did nothing. Thank you Adam!
