Kudos to an anon who connected the bank account fm Q's 5 Jan drop to a NJ doctor, Medhat El Amir, who was indicted for multiple tax violations in 2014. Q implies by confirmation he is connected to Hezbollah.

### Bergen County, N.J., Doctor Charged With Tax Violations

*Allegedly Made Millions of Dollars in Cash Deposits; Transferred Ownership of Home to Family Member; and Failed to File Tax Returns*

NEWARK – A Bergen County, N.J., doctor who owns three immediate care facilities in Hudson County, N.J., was arrested today on multiple tax violations, including allegedly making cash deposits of more than \$5.8 million into bank accounts he controlled, U.S. Attorney Paul J. Fishman announced.

Medhat El Amir, 59, of Saddle River, N.J., was indicted April 10, 2014, by a federal grand jury on one count of corruptly endeavoring to impede the due administration of the internal revenue code, four counts of tax evasion and three counts of failure to file tax returns. He was arrested at his home this morning by agents of IRS-Criminal Investigation and the U.S. Department of Health and Human Services, Office of Inspector General. He is scheduled to make his initial court appearance this afternoon before U.S. Magistrate Judge Joseph A. Dickson in Newark federal court.

I may not be the most observant person, but here are my notes from POTUS CPAC '18 speech  
- "Fortunately, I wasn't a politician then," pronounced "4chan-stely"  
- For the first time, the word "Atrocities" was used in response to crowd yelling "Lock her up!"  
- When speaking of McCain, POTUS said "I'm not going to say his name"  
- Recalled his 2011 CPAC speech as important (worth revisiting)  
- "Why did [Hillary] keep going back to California?" (possible hint to fraud)  
- "[Where did the \$1.6 billion go?]" lots of interesting things are happening with that."  
- "They're good at two things, resisting, obstruction." (possible hint to arrests/obstruction of justice)  
- "Gun-Free Zones" (1990 act proposed by Joe Biden)  
- Deputy Peterson (FL shooting coward) mentioned by name.  
- MS 13 and Human Trafficking referenced in the same breath.  
- "The laws are against us."  
- (Rereads "the snake" as if holding mass)  
- "We have to fight Nancy Pelosi"  
- "We have to get out there and we have to fight in '18, like never before, just the way you fought with us, just the way you fought with us, you fought so hard, and you were so tough, and you were so smart, so smart"  
- "The forgotten people" (anons?)  
- "Even the media will support me sometime prior to the election."  
- "I love you, I respect you, I appreciate everything you've done for the country."  
- "You have been incredible partners, I will let you know in the absolute strongest of terms we're going to make America great again and I will never ever let you down."

#### Sandy Hook Millions

Newtown has received about \$17 million in federal aid since the Sandy Hook School shooting. More than \$8 million came from Department of Justice grants called the Antiterrorism and Emergency Assistance Program. The agencies will receive funding through September 2015. The money has been used to make schools more secure, hire security officers, social workers and psychologists. Some of the agencies that received grants have not yet spent the money. In addition, the school system has received more than \$6 from U.S. Department of Education.
