1. New Q drop. No coincidence @POTUS is talking about STEEL. We know from Q's drops last night that Hussein & Songbird KNEW we were importing substandard steel.

No coincidence here: Kobe Steel admits data fraud went on nearly five decades, CEO to quit.

More Steel connections with HRC & CF?

One of the attendees at these conferences speaks to the stickiness of some donor relationships.

Victor Pinchuk, a steel magnate whose father-in-law, Leonid Kuchma, was president of Ukraine from 1994 to 2005, has directed between \$10 million and \$25 million to the foundation. He has lent his private plane to the Clintons and traveled to Los Angeles in 2011 to attend Mr. Clinton's star-studded 65th birthday celebration.

Between September 2011 and November 2012, Douglas E. Schoen, a former political consultant for Mr. Clinton, arranged about a dozen meetings with State Department officials on behalf of or with Mr. Pinchuk to discuss the continuing political crisis in Ukraine, according to reports Mr. Schoen filed as a registered lobbyist.

"I had breakfast with Pinchuk. He will see you at the Brookings lunch," Melanne Vermeer, a Ukrainian-American then working for the State Department, wrote in a June 2012 email to Mrs. Clinton.

 So much is open source.  
 So much left to be connected.  
 Why are the children in Haiti in high demand?  
 How are they smuggled out?  
 'Adoption' process.  
 Local 'staging' ports friendly to CF?  
 Track donations.  
 Cross against location relative to Haiti.  
 Think logically.  
 The choice, to KNOW, will be yours.

 Subject: (AP) Haiti PM: U.S. Baptists knew removing kids was wrong

PORT-AU-PRINCE (AP) - Haiti's prime minister says it's clear to him that the 10 U.S. Baptists who tried to take 33 Haitian children out of the quake-ravaged country "knew what they were doing was wrong." Prime Minister Max Bellerive also tells The Associated Press his country is open to having the Americans tried in the United States. Bellerive says some of the children have parents who are alive. The government is attempting to locate them. He says a judicial system needs to determine whether the Americans were acting in good faith, as they claim, or are child traffickers. The Americans are mostly from Idaho. They have been held since being arrested January 29 trying to enter the Dominican Republic with the children.
