Q tells us to re-read news re: Australia. Could the reason they donated to CF be that they were ASSURED she would win & it was a pay-to-play scheme or were they being blackmailed? Strings cut/deals made with @realDonaldTrump. They are exempted now from the steel/aluminum tariffs.

According to [The Washington Post](#), Trump told Turnbull that he had already spoken to four other world leaders last weekend, and “this was the worst call by far.”

Trump was reportedly upset about former president Barack Obama’s agreement to accept hundreds of refugees from Australia, including some from countries listed in Trump’s executive order banning entry to the United States for millions of foreigners.

“This is the worst deal ever,” Trump told Turnbull, according to a leaked transcript of the call. (He once called NAFTA the worst deal ever, [on Twitter](#).)

The president then abruptly ended the call, more than half an hour ahead of schedule, despite Turnbull’s efforts to turn to other subjects.

"Whatever happened to this Pakistani guy who worked with the DNC?" the president asked in an interview published Thursday by the New York Times.

A grand jury in August returned an indictment in the U.S. District Court for the District of Columbia charging Awan and his wife, Hina Alvi, with a total of four counts, which included federal bank fraud and conspiracy. Awan has pleaded not guilty to all charges.

"Whatever happened to them?" Trump continued. "With the two servers that they broke up into a million pieces? Whatever happened to him?"

Angela Merkel, 20. 4. 1954, Nemčija

Adolf Hitler, 1889 – 1945, Avstrija

<https://pbs.twimg.com/media/DX9XQ0vXUAEduJB.jpg>

Soon after the birth of Hitler's baby girl, an agreement between the Soviets, the Americans and the Vatican was arranged. Hitler's baby was placed under the 'control' of the Catholic Church through its 'connections' with the GDR Lutheran Church which took custody of the baby. She was given a false date of birth, July 17, and the name Angela Dorothea Kasner, daughter of Horst Kasner, a Lutheran pastor, and his wife, Herlind - an English and Latin teacher. There in the countryside at Templin in East Germany, Merkel was raised about 50 miles north of Berlin, the capital of the socialist German Democratic Republic (GDR).

The central theme of the "agreement" of the Western Allied Powers, the Vatican, and the Soviets was that Hitler's daughter would be elevated to international power...but her ascendancy to power would not come until "the Vatican also brought to power a German Pope". In the wake of the death of Pope John Paul II, the former German Nazi Joseph Ratzinger was nominated. He took the name of Pope Benedict XVI on April 20, 2005, as Vicar of Rome. Is it a coincidence that this date was the anniversary of Adolf Hitler's birthday?

In 1977, Angela Dorothea Kasner became Angela Merkel with her marriage to physicist Ulrich Merkel, but the marriage ended in divorce in 1982. She was elected Chancellor of Germany shortly after Pope Ratzinger assumed the Leadership of the Roman Church on Hitler's birthday.
