Wow. After seeing Reddit posts last night re: "austinbomber" poss targeting Alex Jones, many anons believed it was a set up to bring down Q & truther forums. Now Q says FBI has opened a case on "Q" due to "BOOM" drops. Now that the bomber is dead, [4am news], is it over?

The FBI opened a case on "Q" today re: 'Boom' statements and now the TX bombings.
Coordinated to end comms here.
Predictable.
They are scared [4am].
They will fail.
We know the details.

3. Q posts link to an episode of Comedy Central's "The Opposition" which mocks [#QAnon](#) & those who follow. Q warned us this was coming. They started w/Pizza Gate which, through mockery & conspiracy label silenced those covering. High-level pedos ARE real.

4. Some non-US anons are unable to watch the link Q posted. Here's the YouTube video of JUST the part where they talk about [#TheStorm](#) and [#QAnon](#).

6. Q has used "RT" before to designate real time. I'm inclined to believe this is what Q meant (vice Tillerson). Zuckerberg was meeting in secrecy w/either Brennan or Clapper & 5 current mbrs of Congress or Senate? 4am talking pts uploaded via Secure Drop (owned by Snowden).

7. I agree w/these anons. The bombings were DS FF to highlight Q as dangerous "fake news". I had never heard the term "fake news" until right after @wikileaks published the Podesta emails w/all the pedo code. They are using the exact same playbook here to "debunk"/silence Q.

Remember how the media avoided pizzagate for as long as possible, but knew they couldn't ignore it forever? But then a crazed gunman conveniently went into Comet Ping Pong, which was also conveniently when the media launched their blitz? The deep state is using the exact same playbook with Austin to go after Q. These people are stupid

8. Apparently some are still unable to view both links of the clip I shared to the Comedy Central "The Opposition" mocking #TheStorm and #QAnon. Here's a HookTube link. Hope you can see it now!

9. Love it when anons generate these graphics showing connections between the news and Q's drops. The DS doesn't care who they kill to achieve their goal. They want to shut Q comms down. Must be over the target.
