This is hilarious. They actually called the WH for comment! Will be hilarious if they ask [@PressSec](#) during the WH briefing later today. Q warned us they would push the whole "conspiracy theory" angle. They always do when you get too close to the truth.

I wish I could give all of y'all a big hug and express to you how grateful I am for what y'all are doing for us and our country. So thank you again for everything. It means worlds more than you could ever know for us to have a president who believes in the greatness of WE THE PEOPLE!

Rachel chandler has been linked to the Clinton's since she was 14!
She has been photographed with bill Clinton on the Lolita express!
Now she owns some fake modeling website with Walter Pearce under
midland agency , which clearly has underage children who are shirtless
and have some strange tarp behind them! They all look very
disassociated, possibly drugged, very very disturbing!

Also if you go to her Instagram Ray Chandler it has disturbing pictures
of children also!! She is involved with sick people that need to be
exposed, they are hiding in plain view!! You guys this is all connected!

It is important to note Rachel Chandler's modeling agency Midland seems to be legitimate. However this Walter Pearce site connected to it was VERY difficult to find, there's no link to it on the midland website. I could only find it through Walter Pearce's Instagram. Many of the 'models' on the Walter Pearce site do not appear to be on the midland website.
