The police have identified the suspect in the Monday morning attack at a major New York City transit hub as Akayed Ullah, a 27-year-old Brooklyn resident from Bangladesh.

Ullah is believed to have carried out a pipe bombing at the crowded transit hub during rush hour.

He has been taken to the hospital, with the police saying he is one of only four injured.

Q Predicting the Hawaii Ballistic Missile Scare

January 7, 2018 10:09 PM EST

DEFCON 1 - Maximum Defense Readiness Condition, nuclear attack imminent

This causes some who read this to be fearful

January 7, 2018 10:18 PM EST

DEFCON 1
[non-nuclear] written to clarify this is not a true DEFCON 1 situation

Q clarifies that DEFCON is NOT to be taken literally

Makes this crystal clear so no one will be unnecessarily scared

Hawaii Residents are warned of an imminent missile attack

This causes temporary panic and many are scared

January 13, 2018 8:10 AM EST

Later, residents are told it was sent in error, and that it should not be taken seriously

6. Is this the FF Q appears to be warning us about? Who really controls/funds ISIS?

6. Last time Q posted "BOOMs" Austin bomber FF op followed & FBI opened a case on Q to try to shut down drops. Today's SW engine blowing up was another set-up, falsely using Q's 12 Apr drop re: Dershowitz flying on Lolita Express on 17 Nov to mean "BOOM" sked for today, 17 Apr.

Bad actors are using Q's drop against the team by staging events that could be misconstrued from Q posts.

For instance, they used the TX bombings to try to tie Q to the bombings through the past "BOOM" posts.

Now, they are trying to shut Q down again by tying the new BOOM posts and the mention of a plane to today's SW incident.

They will stop at nothing to discredit the work Q, POTUS, and this board have put forth!
