MSM downplayed Huma MB ties for 2016 election. Songbird slammed Bachman & was cited as Snopes source to debunk. AWAN & Jarrett = MB. Alwaleed paid for Hussein's Harvard ed. All sold U.S. out to MB. Enemy within. FBI knew.

In response to those critiques, Rep. Bachmann laid out the evidence in a [16-page memo](#), which has never been refuted by Senator McCain or the elite media.

The evidence, in my opinion, is overwhelming: **Huma Abedin is nothing short of a Muslim Brotherhood princess, born into an illustrious family of Brotherhood leaders.**

Her father, Syed Zaynul Abedin, was a professor in Saudi Arabia who founded the Institute for Muslim Minority Affairs, an institution established by the Government of Saudi Arabia with the support of the Muslim World League.

<https://pbs.twimg.com/media/DbZiNybXcAAQrvl.jpg>

The Clinton surrogate group Media Matters claimed predictably there was "no evidence" that Ms. Abedin or her family had ties to the Muslim Brotherhood, and that Trump campaign staffers who spoke of these ties were **conspiracy theorists.**

To debunk the evidence, Media Matters pointed to a Snopes.com "fact-check" piece that cited as its sole source... **Senator John McCain.** This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi.

Senator McCain and others roundly criticized Rep. Michele Bachmann in 2012 when she and four members of the House Permanent Select Committee Intelligence and the House Judiciary Committee cited Ms. Abedin in letters sent to the Inspectors General of the Department of Defense, Department of State, Department of Justice, Department of Homeland Security, and the Office of the Director of National Intelligence, warning about Muslim Brotherhood infiltration of the United States government.

Our Story

HUMA was started in 2004 by a number of interested alumni who felt that the Muslim Alumni community could be strengthened by an official organization. It was also envisioned to support the longterm goal of providing for a Muslim Chaplain on campus and seeing the development of a Masjid in the Harvard Square area. Currently with over 300 members, spanning various school and years, HUMA is a vibrant and active alumni organization.

"The mission of Harvard University Muslim Alumni (HUMA) is to connect Harvard Muslim alumni and faculty and thereby to support Islam and Muslims at Harvard."

Our Focus

We achieve our goal primary through the following four channels:

1. Alumni Networking

We plan to serve as a network for Harvard Muslim alumni and faculty. Our goal is to facilitate connections between Muslim Alumni with similar interests. This is done through our annual Global Iftar Program during Ramadan, and Alumni Mixers in major cities.

2. Supporting Muslims on Campus

We strive to create more resources at Harvard for Muslims, including actively working with the Islamic societies on campus, at the college and the graduate schools, to provide providing financial or other support.

3. Increasing Islamic Resources on Campus

Our goal is to promote a positive image of Islam and Muslims. In line with this objective, we strive to create more resources at Harvard for those interested in understanding more about Islam and reducing misunderstanding about the religion.

4. Increasing Access to Harvard for Muslims

It's our belief that all students should be able to have the opportunity attend high quality educational institutions like Harvard. We aim to help ensure that Muslims are properly represented at Harvard and as such we plan to work with young Muslims to encourage them to apply.

2. Salon hit piece on Bachman's "Witch hunt". She penned 16pg letter to Ellison re: MB infiltration of US gov't. Is this why [@realDonaldTrump](#) often uses the term "Witch Hunt" in Tweets re: Russia collusion & Mueller SC? Q confirms.

5. Interesting. [@realDonaldTrump](#) just tweeted this. I tweeted EXACTLY one hour ago re: Salon hit piece on [@MicheleBachmann](#)'s "Witch Hunt" re: MB infiltration of US gov't. & how POTUS uses that term. Is he saying MB Witch Hunt is COMPLETE? Possible double meaning: HRC = Witch?

8. "She had to win at all costs" because their plan to destroy American from within & every treasonous act they committed to achieve this end would be exposed if she didn't win. They made up fake intel (blaming our 5 Eyes intel partners) to justify spying on the Trump campaign.

<https://pbs.twimg.com/media/DbaBwxmWsAATtVE.jpg>

HOST: Why didn't they get a [FISA] warrant against Papadopoulos?

DEVIN NUNES: Here's what they're trying to say. The way that they opened up the investigation [on July 31 2016] was supposedly by saying that there was Five Eyes [meaning from either the UK, Canada, New Zealand, or Australia] "intelligence product" on Papadopoulos and that's what they used to open up the counterintelligence investigation of the Trump campaign....**nonsense, you used phony Five Eyes intelligence that did exist. We have NO record of Five Eyes intelligence existing... there's no intelligence product that exists, so that's a lie.**

Before a rapt audience, Al Gore [flashed slides](#) on a giant screen bearing the logos of 11 clean energy companies he predicted could help slow climate change.

"We can't wait. . . . We have a planetary emergency," the former vice president told industry leaders and scientists at the 2008 conference. "Here are just a few of the investments that I personally think make sense."

Today, several of those clean tech firms are thriving, including a solar energy start-up and a Spanish utility company that has dotted rural America with hundreds of wind turbines.

Al Gore is thriving, too.

The man who was within sight of the presidency 12 years ago has transformed himself, becoming perhaps the world's most renowned crusader on climate change and a highly successful green-tech investor.
