As soon as I saw the Armenian PM resigned amid widespread protests I recalled Q saying Armenia was the #1 country searching "QAnon" & Clowns were on the boards in full force. Was PM Sargsyan under Clown control? Q says the world is awakening. Praise Jesus!

"Thousands of people are on the streets, cheering and hugging each other, jumping up and down and honking their horns ... things happened so quickly, I don't think the crowd was expecting this but it is exactly what they wanted," Forestier-Walker said.

"We saw soldiers take to the streets, we saw priests, children and their parents, young and old coming out to show Armenia was really united in wanting these changes."

"This is an indication of how much people in Armenia have realised that they had the power to affect change in a system that was widely regarded as corrupt."

Sixty years of US aid to Pakistan: Get the data

As the US announces it is to withhold military aid to Pakistan, find out how much money America has given to the country since 1948

• [Get the data](#)

A Pakistan soldier mans a machine gun in the north-western Bajur region in Pakistan. Photograph: Anwarullah Khan/AP

The Obama administration has announced it will withhold more than one-third of all military assistance to Pakistan - an aid envelope worth some \$800m (£498m). The withheld aid includes funding for military equipment and reimbursements for selected Pakistani security expenditures - including a payment of \$300m for counterinsurgency programmes.

US aid to Pakistan has a long political history and this is not the first time money has been withheld. Here we've pulled out all the figures for both US military aid and economic assistance (including development assistance) to Pakistan between 1948 and 2010.

Why do D's want to control the black pop?

Why do they intentionally keep poor and in need?

Why do D's project racism on a daily basis against R's?

Why do black elected officials do the crazy talk on behalf of D's?

How do D's cover the historical facts of forming the confederacy, KKK, and oppose all things pro black re: legislation?

What happens if D's lose the slave grip on the black pop?

Why do D's, through the funding of the CIA, prop up and install Hollywood/media assets?

Does this fall within Operation Mockingbird?

What were the historical advantages D's gained by having MSM and famous people peddling narrative?

Who exposed the pedo network within H wood?

You can't answer the above but will laugh once disclose details.

The network which controls this false narrative which in turns keeps the black pop under control is being dismantled.

False local and national black leaders will be exposed next as shills for the D party.

Maxine W has a \$4mm home and cash assets in excess of \$6mm.

Grassley Refers Planned Parenthood, Fetal Tissue Procurement Organizations to FBI, Justice Dept. for Investigation

Dec 13, 2016

WASHINGTON – Following an investigation into the practice of fetal tissue transfers and the federal laws governing the practice, Senate Judiciary Committee Chairman Chuck Grassley is **referring several** Planned Parenthood affiliates and companies involved in fetal tissue transfers, as well as the Planned Parenthood Federation of America, to the FBI and the Department of Justice for investigation and possible prosecution.

"I don't take lightly making a **criminal referral**. But, the seeming disregard for the law by these entities has been fueled by decades of utter failure by the Justice Department to enforce it," Grassley said. "And, unless there is a renewed commitment by everyone involved against commercializing the trade in aborted fetal body parts for profit, then the problem is likely to continue."

Grassley's referral follows the completion of a Senate Judiciary Committee majority staff analysis of more than 20,000 pages of documents provided voluntarily by the organizations and companies involved. While the impetus for the investigation was the release of a series of videos regarding transfers of fetal tissue by the Center for Medical Progress, the committee's analysis and findings are based strictly on the documents obtained independently from tissue procurement companies and Planned Parenthood.
