Did anyone else catch when [@realDonaldTrump](#) said Iran "won't be able to" restart their nuclear program during the Q&A w/the WH press pool? Makes me wonder if that "earthquake" in Iran the other day was something else.

2. Right on Q! Iran is next. [@POTUS](#) sending warning to Clowns controlling Iran. Not sure about ref to IRON EAGLE but might movie synopsis indicate American citizen(s) being held hostage in Iran? Need to look for meaning of "CLAS - Sec 11A P 2.2 [important]".

POTUS today.

"Mark it down."

"Bigger problems than ever before."

SIG to Iran?

CLAS - Sec 11A P 2.2 **[important]**

Refers to more than continued payments of \$250B.

IRON EAGLE.

3. Anon asks if Macron is a true ally. I've always believed he is a globalist puppet and wondered if France's election was rigged. Q says he was sent by EU to try to talk [@realDonaldTrump](#) into staying in the Iran deal.

His sole purpose [**WH visit**] is to convince POTUS, on behalf of the EU, to remain in the Iran deal.

You decide.

4. Our taxpayer dollars fund arming/training terrorists who kill American troops, drugs & human trafficking, wars, etc. NK progress not praised because they were the other slush fund for the Cabal/Clowns. Both countries used as worldwide nuclear threat to extort money from us.

What's at risk?

\$250B x 2 / year.

What the taxpayers don't know.

Why aren't NK developments receiving WW praise?

5. Anon is asking when we will see the "MOAB" Q said was coming (this week?). We know Clowns lurk on the boards, so it would not be prudent to announce date/time...and "roll out the red carpet". As Q says: "Trust the plan".

6. I agree [@realDonaldTrump](#) more than deserves a Nobel Peace Prize but it has lost its impact by awarding it to 44. Clearly Q team isn't in it for the fame or glory. Watch the video Q shared again last night (pinned to the top of my timeline) & you'll see why they are doing this.

What would happen if texts originating from a FBI agent to several [internals] discussed the assassination (possibility) of the POTUS or member of his family?
What if the texts suggest foreign allies were involved?
Forget the Russia set up [1 of 22].
This is only the beginning.
Be careful what you wish for.
AS THE WORLD TURNS.
Could messages such as those be publicly disclosed?
What happens to the FBI?
What happens to the DOJ?
What happens to special counsel?
What happens in general?
Every FBI/DOJ prev case could be challenged.
Lawless.
Think logically.
We haven't started the drops re: human trafficking / sacrifices [yet][worst].
Those [good] who know cannot sleep.
Those [good] who know cannot find peace.
Those [good] who know will not rest until those responsible are held accountable.
Nobody can possibly imagine the pure evil and corruption out there.
Those you trust are the most guilty of sin.
Who are we taught to trust?
If you are religious, PRAY.
60% must remain private [at least] - for humanity.
These people should be hanging.
