"Interesting theory" says Q, which seems to validate this is exactly why Q repeatedly says "TRUST SESSIONS". Q also appears to be telling the Anon Army to get [#Releasethetexts](#) with [#NoRedactions](#) trending. Those FBI texts will bring down the Deep State.

Here's Why Jeff Sessions Might Be Playing 4-D Chess - Big League Politics

"Marching Into The Dark"

What can you buy with the ultimate sacrifice
If you don't believe in the afterlife?
Oh I still grieve rememberin' what you were like
Now what good is a dream when the dreamer dies?

Some are better than good
Greater than great
Some are misunderstood
And they get told to wait by

All of the greatest
Greatest of all
Were chasing their fading star
Who'll be the latest
The latest to fall?
We're marching into the dark

What if your like was just in the day to day
And after you're gone the world stays the same?
Why should you love what you're gonna lose anyway?
Oh I've imagined one hundred ways

Some are just no good
Some will let it just fade
Some are misunderstood
We'll just have to wait, 'cause

All of the greatest
Greatest of all
Were chasing their fading star
Who'll be the latest
The latest to fall?
We're marching into the dark

Oh Heaven knows where we are
Chasing the fading stars
Heaven knows where we are
Motioning to the dark

Some are better than good
And greater than great
Some are misunderstood
They get told to wait
Some are just no good
Some will let it just fade
Some are misunderstood
We'll just have to wait, 'cause

All of the greatest
Greatest of all
Were chasing their fading star
Wanna know who
Who'll be the latest
The latest to fall?
We're marching into the dark
I wanna go marching into the dark
All of the greatest
Greatest of all
Were chasing their fading star
Were chasing their fading star
Who'll be the latest
Latest to fall?
Marching into the dark

Given he has been calling for the Syrian rebels to be armed for more than 18 months, you would have thought that Senator John McCain might have been interested in what was said during the three-hour hearing of the Senate committee on foreign relations discussing the potential use of force against the Assad regime.
