

Our @POTUS is taking all the nasty slings & arrows from every direction for us & doing it for FREE. Every day his life is on the line as are those of his family members. I pray every day for his protection. FREEDOM is the ultimate pay off; it is priceless.

Be careful who you are following.
Some are profiting off this movement.
Some are building a big following off this movement only then to retreat and go mainstream.
Patriots make sacrifices.
Some, the ultimate sacrifice.
Patriots are SELFLESS.
Do they ask for monthly payments to remain Patriots?
Think logically.
To some, it's only about the money.
Those who would seek personal gain at the expense of others in this movement has an agenda.
You decide.
This is not a game.
The only profit we should all be striving for is TRUE FREEDOM.
God bless you all.

3. This one made me cry. God bless our military, civil servants & contractors who put themselves in harm's way in these extremely dangerous times. They're fighting pure EVIL. I pray for families who grieve the loss of these PATRIOTS. We owe them a debt that can never be repaid.

Right now reporting is sketchy and confused. This is the synopsis: Sunday evening, Damascus time, several Syrian Army bases were struck by what appear to be airstrikes. There was a major explosion at a Syrian Army base near the city of Hama. Not only was the base a headquarters for a Syrian brigade but it was the base of operations for IRGC militia. Lebanese papers are saying that missiles were fired into the base. They don't say by whom, but everyone knows what they are
